**Narrative:** Monterey County Environmental Health was notified of a one ounce diesel spill in Breakwater Cove Marina in Monterey. I called and spoke with officer David Runkle from the USCG who indicated the spill occurred during routine maintenance on a USCG vessel. Because of the small spill amount and windy conditions, the spill quickly dissipated and was unrecoverable.

**Incident Status:**

Mitigated No Further Action  Health Department Follow-up Warranted

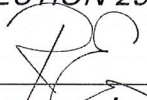

Referred to other Agency or Department for follow-up:
