The Monterey County Agricultural Commissioner's Office provides phytosanitary certification services on most Saturdays and holidays between the hours of 8:00 a.m. and 12:00 p.m., with the exception of a period between December 19, 2015 through March 12, 2016, due to limited demand. The table above indicates the holiday schedule.

On Saturdays beginning March 19, 2016 and continuing through December 10, 2016, or on any of the above working holidays, you may contact an inspector by calling the weekend/holiday quarantine phone at (831) 759-7355 between 8:00 a.m. and 12:00 noon. If the Inspector on duty does not answer, leave a voice-mail message. Calls placed after 12:00 noon will not be answered. If you leave a voice-mail message, please speak clearly and leave a contact name, company name, phone number, address and brief description of the service you are requesting. **Please note: Your call will transfer to the cell phone of the inspector on duty. If you reach the general quarantine voicemail then your call has not gone through properly and you need to try your call again.**

Reminder to all Taiwan shippers: No inspections on weekends and/or holidays.
