Site Visits and Staking/Flagging:

In accordance with the State Brown Act exception, RMA will schedule LUAC meetings to be held remotely to help prevent the spread of COVID. Construction activities have resumed, so staking and flagging can now be installed on project sites, and site visits will resume on a modified/limited basis. In an effort to promote physical distancing, site visits with the entire LUAC will not be scheduled while the County Health order remains in place. However, individual LUAC member site visits may be coordinated with the project planner and applicant, pursuant to the following guidelines:

- Site visits will not be scheduled for more than one (1) LUAC member to be on site at a time.
- When on site, LUAC members and County staff should adhere to the current County Health Order regarding physical distancing and protective equipment (i.e.: face masks, etc.)
- LUAC members visiting a site cannot enter private property without permission, so visits should be coordinated with the project planner and property owner/agent.
- Site visits by LUAC members are not open to the public
- Permission/coordination is not needed by LUAC members or the public to view a property from a public road.
- In accordance with the Brown Act, LUAC members should not share any thoughts/comments with other LUAC members regarding their site visit except during the scheduled public LUAC meeting.
