Lead Mitigation Program (LMP)

Benefits to participants

1. **We protect the health of the residents:** we remove lead health hazards from homes.
2. **Structural components :** will be replaced and updated where needed.
3. **Certified professionals :** will repair, replace or remove Lead-based paint in your home.
4. **All applicant information:** is confidential. Citizenship status will never be asked.
5. **Lead assessor inspectors from Monterey County Health Department :** will assure the process is in compliance: A certified lead inspector will contact you to answer your questions.
6. **We will work with you:** during the work and repairs we will make arrangements to meet your needs.
7. **Quality assurance:** To confirm repairs have been completed per standards, we conduct a final inspection.
8. **We speak Spanish:**
Hablamos Español

Lead Mitigation Program (LMP)

Our goal is to prevent, reduce or eliminate Lead hazards from homes. We help tenants and property owners by providing free services to remove lead paint hazards from your **pre—1978** home.

You qualify if your home was built **before 1978** and you can answer yes to any of these conditions:

- ⇒ Do you have cracked, chipped, or peeling paint?
- ⇒ Is there a child under 6 years old living in or frequently visiting your home?
- ⇒ Is anyone living in your home pregnant?
- ⇒ Are you considered low income?

Who can apply ?

All tenants, landlords or property owners are eligible to apply.

What do you need to do?

1. **Fill out an application:** An application is accepted via email, phone, or online at www.mtyhd.org/LLMP
2. **Wait for evaluation of eligibility:** If your home is eligible, we will inform you in writing.
3. **Lead hazard evaluation:** You will allow a lead hazard inspection in your home.
4. **Permit to entry:** All property owners must permit entry of an inspector and contractors to work in the home.
5. **Schedule repairs:** We will work with you and your family to schedule repairs by our certified contractors at no cost to you.
