Introduced: 3/22/2022

Current Status: Agenda Ready

Version: 1

Matter Type: General Agenda Item

Consider finding, pursuant to AB 361 and in order for the Commission on Disabilities to continue to meet remotely, that the COVID-19 pandemic state of emergency declared by Governor Newsom is still in effect, that the Commission on Disabilities has reconsidered the circumstances of the state of emergency; and that the Monterey County Health Officer continues to recommend social distancing measures for meetings of legislative bodies.

RECOMMENDATION:

It is recommended, pursuant to AB 361 and in order for the Commission on Disabilities to continue to meet remotely, that the Commission on Disabilities find: that the COVID-19 pandemic state of emergency declared by Governor Newsom is still in effect; that the Commission on Disabilities has reconsidered the circumstances of the state of emergency; and that the Monterey County Health Officer continues to recommend social distancing measures for meetings of legislative bodies.

SUMMARY/DISCUSSION:

On September 16, 2021, Governor Newsom signed AB 361. This legislation amends the Brown Act to allow meeting bodies subject to the Brown Act to meet via teleconference during a proclaimed state of emergency in accordance with teleconference procedures established by AB 361 rather than under the Brown Act's more narrow standard rules for participation in a meeting by teleconference. AB 361 provides that if a state or local health official recommends social distancing, a "legislative body" - which is defined to include the Commission on Disabilities - may meet remotely after September 30, 2021, provided that within 30 days of the first meeting after September 30, and every 30 days thereafter, the legislative body finds 1) the Governor's proclaimed state of emergency is still in effect; 2) the legislative body has reconsidered the circumstances of the state of emergency; and 3) the Monterey County Health Officer continues to recommend social distancing measures for meetings of legislative bodies and/or the state of emergency continues to directly impact the ability of the members to meet safely in person.

The Monterey County Health Officer has recommended and continues to recommend social distancing measures for meetings of legislative bodies, so the Commission on Disabilities was able to meet remotely for the first time after September 30, 2021. This first meeting took place on November 29, 2021. The Commission on Disabilities must now make the findings at least every 30 days in order to keep meeting remotely.

OTHER AGENCY INVOLVEMENT:

County Counsel prepared the report.
