2019 MONTEREY COUNTY Housing Element Annual Progress Report

TABLE D - Program Implementation Status

Housing Programs Progress Report - Government Code Section 65583			
Program Description			
Name of Housing Element Program	Objective	Timeframe in H.E.	Status of Program Implementation
H-1.a Preservation of Existing Rental Affordable Units	Preserve nine at-risk affordable housing units.	Ongoing	The County successfully worked with Mid-Peninsula Housing to retain and rehabilitate 11-units of affordable housing in Castroville.
H-1.b Foreclosure and Credit Counseling	Annually explore funding sources available at the state and federal levels to reinstate this program.	Ongoing	The County continues to monitor and advocate for state and federal legislation that will reinstate this program.
H-1.c Energy Conservation	Reduce energy consumption and carbon emissions throughout the planning period. Assist in energy conservation improvements for five homes annually.	Ongoing	The County uses CDBG funding to subsidize the installation of roof top solar systems on single family homes owned by low and moderate income households. GRID Alternatives installs between 5-10 of these systems annually in the unincorporated areas and the cities of Gonzales and Greenfield.
H-1.d Preservation of Affordable Housing	Initiate discussions in 2016 to study options for the retention of affordable housing.	Ongoing	The County has been actively involved in the preservation of affordable housing, financially assisting the reconstruction of the Camphora Highlands Apartments, which received their COO in 2015, and the Geil St. Apartments in 2014. The County continues to work with local non-profit housing developers to rebuild existing housing stock so that it is not condemned or lost to market forces.
H-2.a Affordable Housing Project Assistance	Assist 80 lower and moderate income rental housing units annually, of which 20 are dedicated to extremely low income housing units over the eight-year planning period.	Ongoing	The County has used CDBG funds to support the development of affordable housing for extremely low through low income households at Interim, Inc.'s New Bridge House, transitional housing for at risk youth through Rancho Cielo's programs, and transitional housing for homeless veterans working with the Veteran's Transition Center.
H-2.b Farmworkers and Agricultural Employees Housing	Assist employers with providing 40 lower income farmworker housing units over eight years. Specifically work to achieve 10 of the 40 units as extremely low income.	Ongoing	177 units of Employer-Sponsored Housing have been permitted during this planning cycle by agricultural employers. These units can house more than 1,400 seasonal workers annually.

H-2.c Extremely Low Income and Special Needs Individuals and Households	Assist 20 extremely low income individuals and households in new or expanded residential care facilities, emergency shelters, transitional housing, supportive housing, or SRO facilities over eight years.	Ongoing	During 2017-18, the County used CDBG funding to assist Interim, Inc.'s construction of space for 14-beds of additional transitional housing for very low income individuals with both serious mental illness and substance abuse disorders.
H-2.d Homebuyer Assistance Programs	Continue to offer a local first-time home buyer program. Continue to provide information on other available home buyer assistance programs (such as CalHFA and GSFA programs) on County website. Promote CalHFA and GSFA programs to local real estate community to encourage their participation in the programs.	Ongoing	The County continues to offer a down payment assistance/first time home buyer program. This program is challenging due to HUD maximum purchase price and subsidy limits not aligning with actual home values in unincorporated Monterey County. County staff regularly refers interested home buyers to CalHFA and GSFA programs.
H-2.e Housing Choice Vouchers	Support Housing Authority of Monterey County efforts to provide vouchers to very low income individuals and families annually. (At least 75percent of the vouchers are required to be for extremely low income households pursuant to HUD regulations.)	Ongoing	The County continues to support the Section 8 Program by referring inquires to the Housing Authority of Monterey County. This support is applicable to Project Based vouchers as well.
H-2.f Inclusionary Housing	Facilitate the development of 10 affordable inclusionary housing units annually.	Ongoing	During calendar 2018, East Garrison built and sold 10 deed restricted inclusionary townhomes to moderate income households.
H-2.g Housing Policy and Allocation Procedures Manual	Periodically review and update the Housing Policy and Allocation Procedures Manual as necessary.	Ongoing	The County will review and update this document as necessary during 2019-2020.
H-3.a Infrastructure Coordination and Development	Coordinate infrastructure and public facility improvements and service delivery to facilitate the development of housing in Monterey County.	Ongoing	The County has worked with the Monterey Bay Economic Partnership to map locations with adequate infrastructure and in suitable locations to support the development of employer sponsored housing. The County also is working with cities to focus development of new housing in those areas.

H-3.b Community and Specific Plans	Pursue the General Development Plan for the Cypress Opportunity Area in Castroville Community Plan within this Housing Element planning period. Continue to work with the developers of East Garrison and Butterfly Village to implement Specific Plans through the planning period. Continue the development of Community Plans for the Pajaro, Chualar, and Moss Landing Community Areas.	On-going	With the elimination of redevelopment, the County has been restricted in its ability to prepare a General Development Plan for the Cypress Opportunity Area in Castroville. Subsequent to the passage of local transportation bonds and elimination of Artichoke Avenue as a project in the Castroville Community Plan by the Coastal Commission, the County is preparing a Nexus Study to adjust or eliminate the Traffic Impact Fee imposed by the Castroville Community Plan to reduce the cost of residential development within the Community Plan area. A Community Plan is being prepared for Moss Landing and is expected to be presented to the Board of Supervisors by the end of the calendar year.
H-3.c Adequate Sites for RHNA	As part of the development of future Community and Specific Plans for Community Areas and Capital Improvement and Financing Plans for Rural Centers, ensure that an adequate inventory of vacant and underutilized residential and mixed use sites is available to accommodate the County's remaining and future RHNA. Monitor the sites inventory annually to assess the County's continued ability to facilitate a range of residential housing types. Provide inventory of vacant and underutilized sites and promote lot consolidation opportunities to interested developers through out the planning period.	Ongoing	As part of the development of future Community and Specific Plans for Community Areas and Capital Improvement and Financing Plans for Rural Centers, ensure that an adequate inventory of vacant and underutilized residential and mixed use sites is available to accommodate the County's remaining and future RHNA. This is to be done within this planning period through 2023.
H-4a. Zoning Ordinances and Permit Processing	If amendment to Title 21 regarding the removal of the Use Permit requirement for multi-family housing is considered, this will be completed within two years of the Housing Element adoption. This amendment would help remove governmental constraints on the provision of housing in Monterey County by streamlining permit processing procedures and facilitate the provision of housing for special needs and extremely low income households.	In deemed necessary, within 2-years of adoption of Housing Element.	The County has processed amendments to Title 21 specific to the unincorporated community of Castroville and is still evaluating whether they are necessary for the other areas of the County.

H-5.a Fair Housing	Include information on County's website and develop written material as need in 2016. Continue marketing efforts throughout the planning period. Continue to distribute fair housing information at public counters and community locations. Continue to refer questions and complaints regarding fair housing to the appropriate fair housing service providers and monitoring agencies.	Ongoing	The County uses CDBG funding to retain the Eden Council for Hope and Opportunity (ECHO) to provide fair housing education, investigations, and mediation. The County makes ECHO's flyers available on its website and at various public counters.
H-5.b Non-Profit Housing Assistance Programs	Continue to support non-profit housing development and market the availability of the County to provide assistance.	Ongoing	In 2019, the County allocated \$350,000 of CDBG funding to support EAH Housing's 200-unit Greenfield Commons multi-family housing development.
H-5.c Homeless Services	Continue to allocate CDBG funds to service providers that provide assistance to the homeless through the annual budgeting process. Provide assistance to 2,000 homeless persons through partnerships with various non-profit organizations and social service agencies.	Ongoing	The County continues to use CDBG funding to support public services and the development of permanent and transitional housing for those who are homeless or at risk of becoming homeless. The County's 2018-2019 Consolidated Annual Performance and Evaluation Report submitted to HUD indicated that since 2013, the County had used CDBG funding to support the creation of 14 beds for the homeless or those at risk of becoming homeless and direct services were provided to 540 individuals.
