TABLE D - Program Implementation Status

Housing Programs Progress Report - Government Code Section 65583			
Program Description			
Name of Housing Element Program	Objective	Timeframe in H.E.	Status of Program Implementation
H-1.a Preservation of Existing Rental Affordable Units	Preserve nine at-risk affordable housing units.	Ongoing	The County successfully worked with Mid-Peninsula Housing to retain and rehabilitate 11-units of affordable housing in Castroville.
H-1.b Foreclosure and Credit Counseling	Annually explore funding sources available at the state and federal levels to reinstate this program.	Ongoing	The County continues to monitor and advocate for state and federal legislation that will reinstate this program.
H-1.c Energy Conservation	Reduce energy consumption and carbon emissions throughout the planning period. Assist in energy conservation improvements for five homes annually.	Ongoing	The County has used CDBG funding to subsidize the installation of roof top solar systems on single family homes owned by low and moderate income households. GRID Alternatives installed approximately 50 of these systems in the unincorporated areas and the cities of Gonzales and Greenfield between 2014 and 2020.
H-1.d Preservation of Affordable Housing	Initiate discussions in 2016 to study options for the retention of affordable housing.	Ongoing	The County has been actively involved in the preservation of affordable housing, financially assisting the reconstruction of the Camphora Highlands Apartments, which received their COO in 2015, and the Geil St. Apartments in 2014. The County continues to work with local non-profit housing developers to rebuild existing housing stock so that it is not condemned or lost to market forces.
H-2.a Affordable Housing Project Assistance	Assist 80 lower and moderate income rental housing units annually, of which 20 are dedicated to extremely low income housing units over the eight-year planning period.	Ongoing	The County has used CDBG funds to support the development of affordable housing for extremely low through low income households at Interim, Inc.'s New Bridge House, transitional housing for at risk youth through Rancho Cielo's programs, and transitional housing for homeless veterans working with the Veteran's Transition Center.
H-2.b Farmworkers and Agricultural Employees Housing	Assist employers with providing 40 lower income farmworker housing units over eight years. Specifically work to achieve 10 of the 40 units as extremely low income.	Ongoing	351 units of Employer-Sponsored Housing have been permitted during this planning cycle by agricultural employers. These units can house more than 2,800 seasonal workers annually.

H-2.c Extremely Low Income and Special Needs Individuals and Households	Assist 20 extremely low income individuals and households in new or expanded residential care facilities, emergency shelters, transitional housing, supportive housing, or SRO facilities over eight years.	Ongoing	During 2017-18, the County used CDBG funding to assist Interim, Inc.'s construction of space for 14-beds of additional transitional housing for very low income individuals with both serious mental illness and substance abuse disorders.
H-2.d Homebuyer Assistance Programs	Continue to offer a local first-time home buyer program. Continue to provide information on other available home buyer assistance programs (such as CalHFA and GSFA programs) on County website. Promote CalHFA and GSFA programs to local real estate community to encourage their participation in the programs.	Ongoing	The County continues to offer a down payment assistance/first time home buyer program. This program is challenging due to HUD maximum purchase price and subsidy limits not aligning with actual home values in unincorporated Monterey County. County staff regularly refers interested home buyers to CalHFA and GSFA programs.
H-2.e Housing Choice Vouchers	Support Housing Authority of Monterey County efforts to provide vouchers to very low income individuals and families annually. (At least 75percent of the vouchers are required to be for extremely low income households pursuant to HUD regulations.)	Ongoing	The County continues to support the Section 8 Program by referring inquires to the Housing Authority of Monterey County. This support is applicable to Project Based vouchers as well.
H-2.f Inclusionary Housing	Facilitate the development of 10 affordable inclusionary housing units annually.	Ongoing	During the current HE Cycle the East Garrison subdivision has constructed 35 deed restricted units for moderate-income households.
H-2.g Housing Policy and Allocation Procedures Manual	Periodically review and update the Housing Policy and Allocation Procedures Manual as necessary.	Ongoing	The County will review and update this document as necessary during 2019-2022.
H-3.a Infrastructure Coordination and Development	Coordinate infrastructure and public facility improvements and service delivery to facilitate the development of housing in Monterey County.	Ongoing	The County has worked with the Monterey Bay Economic Partnership to map locations with adequate infrastructure and in suitable locations to support the development of employer sponsored housing. The County also is working with cities to focus development of new housing in those areas.

H-3.b Community and Specific Plans	Pursue the General Development Plan for the Cypress Opportunity Area in Castroville Community Plan within this Housing Element planning period. Continue to work with the developers of East Garrison and Butterfly Village to implement Specific Plans through the planning period. Continue the development of Community Plans for the Pajaro, Chualar, and Moss Landing Community Areas.	On-going	With the elimination of redevelopment, the County has been restricted in its ability to prepare a General Development Plan for the Cypress Opportunity Area in Castroville. Subsequent to the passage of local transportation bonds and elimination of Artichoke Avenue as a project in the Castroville Community Plan by the Coastal Commission, the County is preparing a Nexus Study to adjust or eliminate the Traffic Impact Fee imposed by the Castroville Community Plan to reduce the cost of residential development within the Community Plan area. A Community Plan is being prepared for Moss Landing and is expected to be presented to the Board of Supervisors by the end of the calendar year.
H-3.c Adequate Sites for RHNA	As part of the development of future Community and Specific Plans for Community Areas and Capital Improvement and Financing Plans for Rural Centers, ensure that an adequate inventory of vacant and underutilized residential and mixed use sites is available to accommodate the County's remaining and future RHNA. Monitor the sites inventory annually to assess the County's continued ability to facilitate a range of residential housing types. Provide inventory of vacant and underutilized sites and promote lot consolidation opportunities to interested developers through out the planning period.	Ongoing	As part of the development of future Community and Specific Plans for Community Areas and Capital Improvement and Financing Plans for Rural Centers, ensure that an adequate inventory of vacant and underutilized residential and mixed use sites is available to accommodate the County's remaining and future RHNA. This is to be done within this planning period through 2023.
H-4a. Zoning Ordinances and Permit Processing	If amendment to Title 21 regarding the removal of the Use Permit requirement for multi-family housing is considered, this will be completed within two years of the Housing Element adoption.
