Re: North County Recreation Center Heating System Improvements Project at 11261 Crane Street, Castroville, Monterey County, CA

Dear Mr. Marshall:

The California State Historic Preservation Officer received the consultation submittal for the above referenced undertaking for our review and comment pursuant to Section 106 of the National Historic Preservation Act and its implementing regulations found at 36 CFR Part 800. The regulations and advisory materials are located at www.achp.gov.

Pursuant to 36 CFR §800.4(d) we do not object to the County of Monterey's finding that no historic properties will be affected by the proposed heating system improvements project at the North County Recreation Center located at 11261 Crane Street in Castroville, CA. However, the County may have additional Section 106 responsibilities under certain circumstances set forth at 36 CFR Part 800. For example, in the event that historic properties are discovered during implementation of the undertaking, your agency is required to consult further pursuant to §800.13(b).

We appreciate the County of Monterey's consideration of historic properties in the project planning process. If you have questions please contact Shannon Lauchner Pries, Historian II, with the Local Government & Environmental Compliance Unit at (916)445-7013 or by email at shannon.pries@parks.ca.gov.

Sincerely,

Julianne Polanco
State Historic Preservation Officer
