

Services & Information

FREE WASTE ASSESSMENT

Determine the most cost-effective solid waste management options with a free on-site assessment from Waste Management. Select right-size containers for trash, recycling & organics to save your business money.

RECYCLING TIPS IN AN APP

For iOS and Android, What Goes Where App is Monterey County's guide to help you determine how to recycle everyday materials. Plastic containers, pizza boxes, coffee cups, bags, paint – the app will guide you to curbside programs and nearby drop-off locations to maximize reuse and recycling options. Play the What Goes Where Sorting Game to learn how to separate materials in your carts! Download the app or visit WhatGoesWhere.info for more information.

BUSINESS HAZARDOUS WASTE

Hazardous waste is any product labeled toxic, poison, corrosive, flammable, combustible or irritant. Safely dispose of your business hazardous waste.

North/South County and Salinas Valley customers:

LAMP TRACKER PROGRAM - CFLS CAN ALSO BE DROPPED OFF AT YOUR LOCAL HHW COLLECTION CENTER

To protect your health and the environment, California law requires fluorescent light (CFL) tubes be recycled. Waste Management offers you a simple solution. Collect bulbs in LampTracker's Mercury VaporLok bag and mail them back in the provided prepaid postage box. It's that easy. Available at www.thinkgreenfromhome.com

MANDATORY ORGANICS SERVICE

Effective January 1, 2022, all California businesses, multifamily complexes and residences will be required to sort food scraps and yard debris from trash and recycling, and subscribe to organics collection service per state law SB 1383.

OVERAGE & CONTAMINATION CHARGES

To avoid additional charges, keep your recycle and organics containers clear of contamination and ensure lids on all containers are closed.

CALIFORNIA MANDATORY COMMERCIAL RECYCLING

California law requires certain commercial businesses and multifamily properties to have recycling collection services. Please review these mandates and contact Waste Management to determine if your business is required to recycle. We can help you create a recycling program.

RECYCLING (AB341 Chapter 476, Statutes of 2011)

- Businesses that generate at least **four (4) cubic yards of solid waste per week** and multi-family properties with five units or more are required to recycle.

You can sign up for recycling and organics collection services from Waste Management to meet California's mandatory recycling requirements. Call Waste Management at (800) 321-8226 for a free waste assessment.

MANDATORY ORGANICS RECYCLING (SB1383)

Effective January 1, 2022, all California businesses, multifamily complexes and residences will be required to sort food scraps and yard debris from trash and recycling, and subscribe to organics collection service per state law SB 1383.

For more information, visit California Department of Resources Recycling and Recovery (CalRecycle) website at www.calrecycle.ca.gov/organics/slcp/
