

This form is used to document the proposed rehabilitation, restoration and maintenance plan and will be attached to the recorded Historic Property Contract. If additional space is needed, note “see attached” and submit additional sheets. The proposed plan may include both interior and exterior work, and must utilize all of the estimated tax savings. This plan will be reviewed by the Historic Resources Review Board for historical appropriateness based on the Secretary of the Interior’s Standards for the treatment of Historic properties. All programs that include modifications to a historic property will require additional review and permitting pursuant to current permitting requirements. The property owner is responsible for retaining copies of all receipts and permits for submittal with annual reporting on compliance with an approved Historic Property Contract.
