FORM FR

ENCROACHMENTS CONDITION

The following conditions shall be considered as a part of this Encroachment Permit # _____

1. All pertinent sections of the Monterey County Code Title 14 shall apply.
2. A copy of this Encroachment permit shall be kept on the work site at all times while work is in progress and shall be exhibited upon demand by representatives of the Department of Public Works, Sheriff's Department, and/ or the California Highway Patrol (CHP).
3. Permittee shall notify the County Department of Public Works at least 48 hours exclusive of Saturday, Sunday and holidays, prior to commencing or resuming any work. Once work has begun the permittee shall diligently pursue the work in such a way as to cause the least interference and inconvenience of the public.
4. All work and materials used in County road restoration shall conform to the Standard Specifications of the Department of Public Works and the current State of California Standard Specifications.
5. All existing roadside ditches and drainage facilities shall be promptly restored to original condition or better and proper drainage maintained during the course of construction.
6. Attention is directed to Section 7-1.03, "Public Convenience", 7-1.04, "Public Safety", and Section 12, "Temporary Traffic Control" of the latest Caltrans Standard Specifications. Nothing in these conditions shall be construed as relieving the permittee or contractor from his / her responsibility as provided in said section 7-1.04 of the latest Caltrans Standard Specification.
7. Permittee shall provide all signs, lights, barricades, barrier rail, and / or other temporary traffic control devices, including fences and competent flagmen as may be required to adequately warn, guide and protect the travelling public. All construction signing shall be per the current CA MUTCD - California Manual for Traffic Control Devices. Warning Signs, Lights and Devices for use in performance of work upon highways, shall be diligently maintained at all times including non-working hours, weekends and holidays.
8. Traffic may be reduced to one 12' lane when properly signed, coned, and properly equipped flagmen are posted at both ends of restricted area to assist in the safe flow of traffic. Road shall be restored to 2 - 12' (Minimum) unrestricted traffic lanes for dark or non-working hours.
9. County roads may be closed to through traffic provided approval by the Director of Public Works in lieu of the Board of Supervisors approval for such closure is obtained. The request

shall outline, in writing, all traffic control measures and alternate routes. Allow at least ten (10) working days for obtaining approval.

10. The Director of Public Works or his/ her designee shall be the sole judge as to the adequacy of the finished pavement within the area of responsibility of the County of Monterey.
11. The Department reserves the right to require tests at locations and depths designated during performance of the work. All material testing shall be at the permittee's expense. The County of Monterey shall be the sole judge as to the adequacy of all tests and test results and shall receive a copy of all test results within ten (10) working days after testing. The County reserves the right to require Certificates of Compliance and other test reports.
12. If applicable, permittee shall comply with all Environmental requirements including CEQA and other applicable permits for the required work.
13. Upon completion of the work, the disturbed portion of the roadway shall be finished in accordance with Section 22 of the Standard Specifications - State of California. Surplus material shall be removed and disposed of and the streets restored to a safe, neat, and acceptable condition.

Grass, ice plant and shrubbery in areas supporting such vegetation disturbed by this work shall be replaced and restored.

14. Environmental stewardship including dust control shall be in accordance with Section 14 of the latest Standard Specifications.
15. The permittee shall indemnify and hold harmless the County of Monterey and all officers, employees and volunteers thereof, from all claims, suits, or actions of any name, kind, and description brought forth and resulting directly or indirectly from the installation of the Encroachment permit facilities.

Contact the Monterey County Department of Public Works, Encroachment Section at (831) 755 - 5025 if you have any question regarding these conditions.
