County of Monterey Invites Community Feedback on Future Housing Plans

The County of Monterey is beginning the important process of updating a key County document with a focus on planning for adequate housing at all income levels in the unincorporated areas of the county. As part of this project, the County invites community members and interested parties to help develop this document - the Sixth Cycle Housing Element Update - by providing feedback, comments and to share housing related challenges.

There are many ways to get involved, and community feedback will be used to shape the future of policies and programs to encourage development of housing in unincorporated Monterey County.

Here are three ways to help now to shape future housing plans:

Complete the Community Housing Survey by or before February 10, 2023! It is easy. Complete a Community Housing Survey that is available in English and Spanish on a mobile device through a QR Code, or via a weblink on a browser from any computer at <https://www.co.monterey.ca.us/GeneralPlanUpdates>.

Attend the Virtual Community Meeting on Thursday January 26, 2023, at 6:30-8:00 pm! At this meeting, the community will hear an overview of the Housing Element and community housing needs, challenges and issues, then the meeting will be open to comments. Bring your questions, ideas, and feedback to help identify solutions to any housing related issues or challenges facing your community. Access the Zoom link via QR Code, or at <https://www.co.monterey.ca.us/GeneralPlanUpdates>.

Contact the County Housing and Community Development Department! For more information and to access the Community Housing Survey visit <https://www.co.monterey.ca.us/GeneralPlanUpdates>. You can also email questions, comments, or request to be added to the public distribution list to receive updates at GeneralPlanUpdates@co.monterey.ca.us.

If you have any questions about the Community Housing Survey or Meeting Webinar, please contact 831-783-7058 (English or Español).
