An unsuccessful recruitment is defined as a recruitment that was opened and did not result in any offers of employment to applicants, because no suitable candidates were identified in the examination process. Not all unsuccessful recruitments qualify for the provisions of this section; the recruitment must qualify under subsection (c) below. The intent of this section is to allow subsequent recruitments to open offering a stipend above and beyond the base salary, where it is established that the recruitment was unsuccessful because the salary range is too low.

(2) Unsuccessful Offers of Employment

An unsuccessful offer of employment is defined as an offer at the highest allowable step of the salary range that is declined by an applicant who has been identified as suitable through an examination process. Not all unsuccessful offers qualify for the provisions of this section; the recruitment must qualify under subsection (c) below. The intent of this section is to allow departments to offer a stipend above and beyond the base salary to a suitable applicant, where it is established that the offer was declined because the salary offered was too low and there are no other suitable applicants on the eligible list.

b) Relief for Unsuccessful Recruitments or Unsuccessful Offers

If the recruitment or offer qualifies as unsuccessful or the offer of employment is declined (as defined in subsection (a) above), the appointing authority may request that the CAO (or his or her designee) approve a recruitment stipend to be paid in addition to the highest step for a subsequent recruitment or for an additional job offer.

(1) Unsuccessful Recruitments

Requests for relief for Unsuccessful Recruitments, if approved, will permit Departments to reopen a new recruitment with a stipend that is 5% (five percent) or 10% (ten percent) above the highest step of the classification.

(2) Unsuccessful Offers

Requests for relief for Unsuccessful Offers will permit a Department to make an additional offer to a suitable candidate with a stipend that is 5% (five percent) or 10% (ten percent) above the highest step of the classification.

c) Evaluation Criteria

It is recommended that Departments consider the criteria outlined below when submitting requests for the relief provided in this section.

Departments seeking relief under the provisions of this section should support the request with relevant information, which includes but is not limited to the following factors: (1) Whether previous recruitments for the same classification have been unsuccessful; (2) Whether there is evidence of a workforce shortage (of applicants) in the particular classification; (3) Whether the current salary range is not competitive within the relevant market and why; (4) Whether previous offers at the highest permissible step in the salary range have been unsuccessful; and (5) Vacancy rate data relating to the specific classification.

d) Adjustments to Department Incumbents in the Same Classification

In the event the CAO or his/her designee authorizes a position be granted a stipend, the CAO or his/her designee may also grant the same stipend to all current permanent full-time or part-time employees serving in the same classification within the Department under the following guidelines.

(1) All permanent (or regular) full-time or part-time employees assigned to the affected classification in the specific agency or department, who have completed one year of service at the top step of the salary grade for that specific classification shall, upon review of their qualifications and satisfactory performance, be granted a stipend in the same amount as that granted under Section (b).

(2) All permanent full-time or part-time employees assigned to the affected classification in the specific agency or department, who have

completed one year of service below the top step of the salary grade for that specific classification may, upon review of their qualifications and satisfactory performance, may be granted a stipend in the same amount as granted under Section (b).

- (3) Unless the circumstances justify otherwise, no stipend shall be granted to any current employee until a recruitment has been opened with the stipend and a suitable candidate identified during the examination process has been extended an offer of employment AND has accepted the offer of employment. Once a candidate has been employed with the stipend, the CAO or his/her designee may grant the same stipend to current permanent full-time or part-time employees serving in the same classification.
- e) In the event the CAO or his designee determines that the circumstances have changed, and the conditions supporting the request for relief (under subsection (c)) no longer exist, the CAO shall declare the provisions of this section inoperable for such affected classifications and the salary and stipend for the classification will be frozen.

The stipend will cease at such time as the top step of the current salary exceeds the employee’s frozen base salary plus stipend.

For example:

Base salary on the date the stipend was awarded: \$10.00
 5% stipend\$0.50

	Year 1	Year 2	Year 3	Year 4
<i>Action</i>		3% COLA	3% COLA	3% COLA
		<i>Market catches up – stipend plus base frozen at \$10.84</i>	<i>The new base salary of \$10.61 is less than \$10.84)</i>	<i>The new base salary of \$10.92 is greater than \$10.84.</i>
<i>Base Salary</i>	10.00	10.30		10.92
<i>Stipend</i>	.50	.54		.00
<i>Employee receives</i>	10.50	10.84	10.84	10.92 <i>(Employee is granted increase to \$10.92</i>

When the base salary exceeds \$10.84 the employee will receive an increase to base salary. (It is the intent that the stipend will cease in the same manner as described in the Y-rating sections.)

- f) Limitations:
 - (1) Application of the provisions of this section shall not be automatic nor shall such a determination have any bearing on the same or similar classifications within the Agency or Department or any other Agency or Department with similar classifications.

- (2) Application of the provisions of this section may be dependent on or limited by available financing within the department.
- (3) Provisions of this section may apply notwithstanding the provisions of Section A.2.1 or other provisions of this Resolution governing step placement of new hires.
- (4) This policy is applicable only to the peace officer series within the Sheriff's Office, the Elections Services Specialist in the Elections Department and the Worker's Compensation Manager position in the County Administrative Office – Risk Management Division.

A.4 *INCREASES WITHIN SALARY RANGE*

A.4.1 *Eligibility for Step Advancements*

An employee will be eligible for advancement to any higher step in a salary range of his/her class upon completion of each year of continuous service in his/her class in a full-time permanent or seasonal position. The County Administrative Officer may, upon written request of the department head, authorize the step advancement of an employee on a date other than the step eligible date when he/she deems it to be in the best interest of the County. Pursuant to the NMC HR MOU Regarding Delegation of HR Functions, the NMC Chief Executive Officer may approve such action for employees employed by Natividad Medical Center.

During an employee's initial probationary period in that class, the appointing authority may grant advancement to any higher step in the salary range. In determining the appropriateness of advancing a probationary employee above the initial step, the appointing authority should consider the criteria used for determining initial step placement.

The step advancement shall be effective at the beginning of the pay period within which the employee becomes eligible for the step advancement.

If the County Administrative Officer determines that an employee failed to receive a step advancement on the date on which he/she was otherwise eligible due to administrative or clerical error, the Auditor-Controller is authorized and directed to pay the employee the amount he/she would have received if the error had not been made.

The granting of step increases shall be based on satisfactory performance and continuing job-related development by each employee. It shall be the prerogative of an appointing authority to withhold any employee's step increase upon his/her finding lack of satisfactory performance of normal job-related development by an employee. Withholding of step advancement shall not change the step eligible date.

An employee in a broadband classification, in unrepresented units, shall not be eligible for regularly scheduled step increases. Rather, the salary of such an employee shall be adjusted upward or downward in the broad range subject to the discretion of the appointing authority based on performance and/or market factors of the applicable survey classification.

A.4.2 Date of Step Advancement

The date of eligibility for advancement of a permanent or seasonal employee to a higher step in a salary range shall be determined by the employee's most recent date of appointment or reemployment to his/her current class. Each time an employee receives a permanent appointment, regardless of the nature of the appointment (i.e., original appointment, demotion, transfer, promotion, reclassification, reemployment, reinstatement, etc.), to a different class, eligibility for step advancement will be the date of appointment to the new current class. Notwithstanding the foregoing, the transfer of an employee to a position in the same class shall not affect the step eligible date.

A.4.3 Evaluation

An evaluation of eligibility for advancement to the highest step will occur at least three (3) months prior to the employee's step eligible date. If the employee's performance is found lacking, additional instruction and experience will be recommended and/or provided by the appointing authority. The appointing authority shall confirm this evaluation in writing to the employee if there is need for improvement. Failure to provide notice of reasons for withholding advancement to the highest step at least three (3) months prior to the step eligible date, due to an administrative omission, shall not preclude withholding of such advancement.

A.4.6 Step Eligible Dates - "Acting" and Working Out of Class Appointments

a) *Acting Appointment*

Employees serving in an "acting" capacity shall not be eligible for a step advancement during the duration of the "acting" appointment.

The new step advancement date of an employee who has served in a class in an "acting" capacity pursuant to the section of the Personnel Policies and Practices Resolution titled "Appointments" for a period of four (4) pay periods or more may be adjusted, as follows, upon approval of the Deputy CAO - Human Resources, if said employee is appointed without a break in service on a permanent basis to the class in which he/she served in an "acting" capacity. Pursuant to the NMC HR MOU Regarding Deletion of HR Functions, the NMC Chief Executive Officer may approve such adjustment for employees employed by Natividad Medical Center

The NEW date of eligibility for step advancement may be adjusted by the number of days in excess of sixty (60) calendar days that the employee has served in an "acting" capacity. Said adjustment shall provide for the employee becoming eligible for step advancement on an earlier date than he/she otherwise would.

When an employee is permanently appointed to a position in which he/she held an "acting" appointment without a break in service, he/she shall receive a minimum five percent (5%) increase in salary over the salary received in the class held prior to the "acting" appointment, in accordance with section A.4.1 of this Resolution. The salary used in computing the five percent (5%) increase shall be determined by including any step advancements he/she would have received in the class held prior to the "acting" appointment.

b) Working Out of Class Assignment

An employee in Units F, J, H and K who has been given a working out of class assignment pursuant to the provisions of section A.5.7 shall retain his/her eligible date, but shall not be eligible for a step advancement during the "working out of class" assignment.

c) Return from Acting Appointment or Working Out of Class Assignment

When a permanent employee is given an "acting" appointment or "working out of class" assignment and is subsequently returned to the permanent position he/she occupied immediately prior to receiving the "acting" appointment, without a break in service, said employee shall retain the same step eligible date as he/she had prior to the "acting" or working out of class appointment. If said employee's step eligible date occurred while he/she was serving in an "acting" or "working out of class" capacity, said employee shall receive the step advancement immediately upon return to the position held prior to the "acting" or working out of class appointment.

d) Nothing in this section shall serve to reduce the probationary period established pursuant to the Personnel Policies and Practices Resolution. The provisions of this section shall not apply to temporary assignments made pursuant to any memorandum of understanding or section A.5.7 of this Resolution.

A.4.7 Step Advancement for Temporary Employees

A temporary employee may be advanced within a salary range, based on the number of hours worked without a break in service. To be eligible for advancement to a higher step, a temporary employee must have completed one (1) continuous year and two thousand eighty (2080) hours of service in his/her class. Eligibility for step increases for a temporary employee appointed to permanent positions shall be determined by his/her date of permanent appointment. Eligibility for step increases for part-time permanent employees shall, from the date of change to part-time status, be calculated based on the completion of an equivalent number of hours to that required of a full-time permanent employee. Such employees' step eligibility date shall continue to be calculated in this manner until the employee moves to a higher or lower paid class on a full-time basis. Eligibility for step increases for a part-time permanent employee appointed to a full-time permanent higher or lower paying new classification shall be determined by his/her date of appointment to the full-time position.

- b) Notwithstanding any other provision of this Resolution, the County Administrative Officer may authorize the advancement of employees to the next step in their salary range when all of the following conditions exist.

A.5 SALARY ON CHANGE OF CLASS OR POSITION

A.5.1 Salary on Change to Higher Class

The salary of an employee who is promoted or reclassified to a class having a higher salary range shall be adjusted to the first step of the new salary range or to the next higher step which provides a minimum of five percent (5%) salary increase.

Except as provided below, it is the intent of the Board of Supervisors that employees receive an increase of not less than five percent (5%) or Step 5, whichever is less, as a result of a promotion or reclassification to a higher salary range.

In cases where a current County employee competes for a vacant position in a class with a higher salary range than his/her current position, and he/she is referred to an Appointing Authority, and he/she is selected to fill the position, Section "A.2.1 General Provisions" of "Employment at Step Within Salary Range" of this Personnel Policies and Practices Resolution may be applied to determine rate of pay upon appointment to the new class.

In cases where as a result of reclassification an employee is being promoted into a class directly from a "working out of class" status for a period of one (1) year and has not received an increase in salary per the provisions of section A.4.6 and, as a consequence, will not receive an increase at the time of his/her promotion under the provisions of the first paragraph of this section, the Deputy CAO - Human Resources at his/her discretion may authorize placement in the range of the class to which the employee is being reclassified which would provide an increase of up to five percent (5%) above the salary received while "working out of class." Pursuant to the NMC HR MOU Regarding Delegation of HR Functions, the NMC Chief Executive Officer may approve such placement for employees employed by Natividad Medical Center.

If an employee is being paid at a Y-rate and is promoted as a result of reclassification to a class which has a pay range exceeding the Y-rate amount, the five percent (5%) minimum increase shall not apply. Instead, the employee's salary shall be adjusted to the lowest step in the new range which provides an increase in salary.

A.5.1.1 Salary on Change to Broadbanded Class

An employee reclassified to a broadbanded class shall not be considered to have been reclassified into a higher classification. - a) Assign the employee to a step in the new (lower) range which is equal to or lower than the salary rate the employee was receiving in the old (higher) class; or
- b) Place the employee at a Y-Rate. Under Y-Rate, the employee's Y-Rate salary (current salary) stays in effect until either:
 - 1) The range of the new (lower) is increased causing the step (immediately below the employee's Y-Rate salary) to meet or exceed the employee's Y-Rate salary; in which case the employee will be placed in that step, or
 - 2) The employee's step eligible date occurs, in which case the employee will be moved to the next higher step in the range of his/her new class which is above the Y-Rate salary.

Having now been assigned to a step in the new (lower) classification, the employee will be advanced to the next step as provided in the sections of this Resolution governing step advancements, demotions and reclassification.

A.5.3.1 Salary on Reassignment

If an employee voluntarily accepts reassignment to another County position of equal or lower pay for which he/she meets the minimum qualifications, and such reassignment is deemed by the County Administrative Officer to be in the best interest

of the County, salary and benefit placement will be made in accordance with the County's regular Y-rating procedures.

Added all bargaining units and benefits: 12/11/01; 01-480

AND

The benefits assigned to the new class, or representation unit differ from and are of overall lesser value than the benefits assigned to his/her former class or representation unit,

On the applicable effective date, benefits assigned to the old class or representation unit will be discontinued and the employee will begin receiving only benefits assigned to the new class.

At no time during the term specified above will there be any duplication or pyramiding of benefits.

A.5.5 Step Increase and Change of Class

In the event that a promotion, reclassification, or salary adjustment is to be effective on the same date that an employee is eligible for consideration for a step increase, he/she shall, if approved, receive the step increase prior to calculation of salary effective upon promotion, reclassification or salary adjustment.

Amended 7/11/95; 95-301

A.5.6 Effective Date of Personnel Actions

Promotions, demotions, reclassification, transfers, changes in normal hours worked, additional or deletion of pay differentials and changes in status shall be made effective only at the beginning of a pay period unless the County Auditor-Controller, after receiving a statement of necessity from the appointing authority, approved another effective date. Amended 4/29/08; 08-017

A.5.7 Temporary Working Out of Class Assignment

a) Safety & Attorney Employees

An employee in Unit A, B, C, D or E who is temporarily assigned for a period in excess of twenty (20) consecutive working days to work in a class having a higher salary range shall be considered, as to the time in excess of twenty (20) consecutive working days, to have been temporarily promoted and shall receive the salary herein provided for promotions. Such temporary promotions shall not result in an adjustment in eligibility for step increases in the lower, permanent class. The provisions of this section shall apply only in situations where the person occupying the higher class is absent by reason of vacation, sick leave, leave of absence, or disciplinary suspension.

b) Unrepresented Employees

When an employee in Units Y, Z or ZX is temporarily assigned to and performs significantly all of the duties of a higher allocated position in a classification whose salary range is at least five percent (5%) higher than the range of the employee's regular classification, that employee shall be compensated at the step in the higher classification that provides an increase to the assigned employee of at least five percent (5%). Such assignment shall not change the unit designation or other benefits of the assigned employee. The assignment must be for over ten (10) consecutive working days. Such additional compensation shall begin on the first day of the pay period following the assignment to the duties of the higher position. If the assignment begins on the first Monday of the pay period, the additional compensation shall be effective the beginning of that pay period.

For working out of classification the employee shall be compensated at the step in the higher classification that provides an increase to the assigned employee of at least five percent (5%). As such, if the 5% does not result in the employee reaching at least the first step of the higher salary range, the employee will be placed at the first step of the higher salary range.

At one hundred eighty (180) days, the working out of classification assignment will be reviewed to determine whether it is appropriate for this person to continue working out of classification.

Employees working out of classification or who are removed from Working out of Classification duty as a result of poor performance shall not be subject to unsatisfactory performance evaluation for their participation in said assignment. Participating employees removed from such assignment as a result of unsatisfactory performance shall instead be returned to their official job classification and duties. For cause, the County Administrative Officer, upon the recommendation of the appointing authority, may extend the probationary period of an employee for a period not to exceed six (6) months upon furnishing the employee with a statement of the reasons for such extension and the required standards that must be met in order for the employee to successfully complete the probationary period. Pursuant to the NMC HR MOU Regarding Delegation of HR Functions, the NMC Chief Executive Officer may approve such action for employees employed by Natividad Medical Center.

C. LAYOFF AND RECALL PROCEDURES FOR UNREPRESENTED EMPLOYEES

Section re-lettered from B.17 6/6/10; 10-074

C.1 APPLICABILITY

These Layoff and Recall Procedures shall apply to all unrepresented employees, except for those identified in Section B.16. Departments and employees required to be covered by other layoff procedures, e.g., Local Agency Personnel Standards (“LAPS”), State Merit System, and Anti-recession Federal Regulations, shall be governed by those procedures.

C.2 POLICY

Upon authorization by the Board of Supervisors, the County may layoff an unrepresented employee because of lack of work, lack of funds, material change in duties or organization, in the interest of economy, or for causes outside the County’s direct control. Layoffs will be made within individual County departments and not from one County department to another. In the event a reduction in force in a department is determined by the Board of Supervisors to be necessary, the department head shall designate the classes, positions, and number of employees to be eliminated, subject to Board action to reduce budgeted position allocations and authorize layoff notices.

C.3 DEFINITIONS

a) “Bumping” occurs when an employee ranked in a previous class in the same department has greater seniority than one or more employees currently in that class, and the employee elects to demote to the class, thus “bumping” an incumbent. The

bumped incumbent is then given a layoff notice and, if applicable, the option to be ranked in a previous class.

- b) "Class" is defined in Section V "Definitions."
- c) "Class series" is defined as a group of classes having common characteristics and/or promotional opportunities.
- d) "Continuous service" for purposes of ranking for layoff shall be defined as service in a class series within the County without separation from the effective date of employment, to include work related injury leave of up to one (1) year's duration.
- e) "Rank" or "rank in class" shall be defined as the relative seniority as defined herein between or among employees in a class for purposes of determining the order of layoffs.
- f) "Seniority" is defined as the length of continuous service in a class series, as determined by County personnel records, while occupying a permanent position within the County.

C.4 ORDER OF LAYOFFS

Except as provided in Section C.6, layoff shall be by rank in class based on seniority within the class series. The order of layoffs within a County department within the designated class shall be:

- a) All temporary employees in the class series;
- b) Probationary new employees (*excluding* promotional probationary employees)
- c) Permanent employees (including promotional probationary employees).

No permanent employee within a department shall be laid off in any class if there are temporary employees in an active status in the same class within that department.

C.5 ORDER OF LAYOFF, EXCEPTION TO RANKING SEQUENCE

C.5.1 Layoffs of permanent employees within each category of employment status within a class within a department shall be based on rank in class unless it can be demonstrated that:

- a) an employee possesses special skills, training, or abilities consistent with administrative guidelines developed pursuant to these procedures;
or
- b) the employee's job performance record justifies an alternative ranking;
or
- c) the employee may, by virtue of rank in class, be subject to disparate treatment under the laws of employment discrimination.

C.5.2 The bilingual pay status of an employee pursuant to Section A.9.5 may be considered a job skill that can be used to differentiate individual

employees as to their respective abilities and qualifications only if bilingual ability is required or is listed as a Desirable Qualification in the County's official class specification and is an essential job duty of the employee's position.

C.6 RANKING IN PREVIOUS CLASS

A permanent employee may elect to be ranked by seniority with employees in any class in the same department with the same or lower salary in which the employee has served in permanent status (i.e., passed the probationary period in that class) in an existing position the County service. An employee must notify his/her appointing authority within five (5) working days after receipt of written notice of layoff of the election to exercise this option. An employee who is bumped as the result of such ranking shall be laid off in the same manner as an employee whose position is eliminated by action of the Board of Supervisors, and may exercise his/her seniority in accordance with these rules and procedures. An employee shall not have the right to bump from one County department to another.

C.7 DEMOTION IN LIEU OF LAYOFF

In lieu of layoff, the department head may offer a permanent employee a demotion to any class within the department with the same or lower salary, for which the employee is qualified. Employees demoted in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure. An employee who accepts a demotion in lieu of layoff shall be placed on the department's Recall List and shall have the right of restoration to his/her former class when an opening occurs and his/ her ranking sequence warrants restoration, subject to the provisions of Section C.10 "Reemployment of Employees Laid Off."

C.8 VOLUNTARY TRANSFER IN LIEU OF LAYOFF

C.8.1 Pursuant to Section B.11, and prior to and in lieu of layoff, the department head may offer a permanent employee a transfer to any class within another County department with the same or lower salary, for which the employee is qualified, subject to the following conditions:

- a) Such transfer must be voluntary on the part of the employee; and
- b) A vacancy in the position must exist; and
- c) The department head in the department to which the employee will be transferred must first agree to the transfer.

C.8.2 Employees transferred in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure.

C.8.3 Notice of layoff shall be given. The length of eligibility for a voluntary transfer shall be the period of layoff notification specified in Section C.10, and may be withdrawn by the department upon notice to the employee.

C.8.4 An employee who accepts a transfer in lieu of layoff shall serve a new probationary period pursuant to Section B.6 of this Resolution.

C.8.5 An employee who accepts a transfer in lieu of layoff shall be placed on the department's Recall List and shall have the right of restoration to his/her former class when an opening occurs and his/ her ranking sequence warrants restoration, subject to the provisions of Section C.10 "Reemployment of Employees Laid Off."

C.9 NOTICE

Written notice of layoff shall be served on the affected employees in person, or mailed by the United States Postal service to the employee's latest address on file with the County. The layoff notice shall be served or mailed at least twenty-one (21) calendar days prior to the effective date of the layoff. The notice shall include:

- a) The reason for the layoff;
- b) The effective date of the action;
- c) A reference to the provisions governing reemployment;
- d) Notice that employment counseling is available;
- e) Notice that any decision to bump must be made within five (5) working days;
and
- f) Notice that the employee has five (5) days within which to appeal the layoff.

C.10 REEMPLOYMENT OF EMPLOYEES LAID OFF

The names of persons laid off, demoted or transferred in lieu of layoff under these procedures shall be maintained on a departmental Recall List for the class from which the employee was laid off for a period of one (1) year from the date of layoff. When using a departmental Recall List to fill a position in a class from which layoffs have occurred within the one (1) year recall period, the department head shall reemploy laid off, demoted or transferred employees from the appropriate departmental recall list in rank order. During the one (1) year recall period, no new employee shall be hired nor shall any employee be promoted to a class from which layoffs, demotions or transfers have occurred until all employees on such status in that class have had the opportunity to return to previous positions.

C.10.1 The department head may make an exception to the above order of recall to appoint an employee out of ranking sequence when it is in the best interest of the County for an employee with demonstrated special qualifications, skills or training, or for Equal Opportunity considerations, to be placed in an alternative ranking.

C.10.2 During the layoff notification period, every employee given notice of layoff may request employment counseling and evaluation during the layoff notification period, in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a County-wide Preferred Eligible List. Such counseling and evaluation shall be available

by appointment in order of request. Following the counseling and evaluation, the laid off employee's name shall be placed on a Preferred Eligible List for each class designated as the result of the counseling and evaluation. When the Human Resources Division receives a request to refer applicants to a department for a vacant position in a class for which there exists a Preferred Eligible List, laid off employees on the List shall be considered for employment prior to any other job applicant(s). A competitive job-related selection process may be used to determine the order in which laid off employees on a Preferred Eligible List for a class will be referred for an interview.

C.10.3 A laid off employee shall be removed from the department Recall List or a Preferred Eligible List for any of the following reasons:

- a) The expiration of one (1) year from the date of layoff;
- b) Re-employment within the County;
- c) Failure to accept employment or report to work;
- d) Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file with the County;
- e) Failure to respond within seven (7) days to a communication regarding availability of employment; or
- f) Request in writing by the laid off employee to be removed from the list.

C.11 STATUS OF EMPLOYEES RE-EMPLOYED FROM A PREFERRED ELIGIBLE LIST

A laid off individual who is re-employed from a Preferred Eligible List shall serve a new probationary period unless he/she has previously completed a probationary period in the job class, and shall otherwise be treated as a new employee with the following exceptions:

C.11.1 Former employees who are hired from a County-wide Preferred Eligible List shall be entitled to:

- a) Placement at up to the highest step in the class into which they are hired, provided that the salary upon rehire does not exceed the salary the employee was receiving at the time of layoff;
- b) Reinstatement of credit for service time (seniority) up until the date of separation from County service;
- c) Credit for all prior service for the purpose of determining vacation, annual leave and sick leave accrual rates; and
- d) Restoration of any sick leave balance credited to the employee's account on the date of layoff.

C.12 RESTORATION OF BENEFITS FOR RECALLED EMPLOYEES

Any employee who has been laid off and is hired from a departmental Recall List under the terms of this article within one (1) year from the date of layoff shall be entitled to:

- a) Restoration of permanent status for employees who are rehired from a departmental Recall List into the class from which they were laid off, and who have completed their probationary period. For an employee who has not completed his/her probationary period, credit for that portion which the employee has completed shall be given if the employee is rehired from a departmental Recall List.
- b) Restoration of all sick leave that was credited to the employee's account on the date he/she was laid off.
- c) Credit for all prior service for the purpose of determining vacation and annual leave accrual rates.
- d) Placement in the same step of the salary range that the employee held at the time of his/her layoff.
- e) Reinstatement of credit for service time (ranking) as of the date of layoff.

C.13 INSURANCE COVERAGE

Each permanent employee who is enrolled in the County Health Plan at the time of layoff may, prior to the effective date of the layoff, elect to enroll in a health insurance conversion plan offered by the County's then current health plan administrative carrier. In the event the laid off employee so elects, the County will pay a one-time amount equal to two (2) times the employee only monthly premium at the time of layoff toward the cost of the health insurance conversion plan. The above insurance provision does not apply to employees who retire coincidental to their layoff.

C.14 APPEAL PROCEDURE

An employee who receives a layoff notice may, within five (5) working days thereafter, request a meeting with the department head or the department head's designated representative to review the application of this policy as it affects the employee's status. The employee may be accompanied by a representative.

C.15 USE OF ALTERNATIVES TO LAYOFF

Nothing contained in these procedures shall be construed to prevent individual departments from using alternative procedures to layoff, such as, e.g., furloughs, job sharing or part-time work plans. Furloughs shall require approval of the Board of Supervisors. Individual job sharing and part-time work plans shall require the agreement of the department head and the employee(s) involved.

D. DISCIPLINARY ACTIONS

Section re-lettered from C 6/6/10; 10-074

D.1 *Disciplinary Action*

The appointing authority may take disciplinary action against any employee in the service of Monterey County provided that the rules and regulations prescribed herein are followed, except that adverse action against an employee who serves at the pleasure of the appointing authority, pursuant to Section B.16 of this document shall be accomplished by a single written notice which sets forth the adverse action and provides the opportunity for the employee to discuss that action with his/her appointing authority prior to its effective date. As used in this section, "disciplinary or adverse action" shall mean dismissal, suspension, disciplinary demotion, reduction in salary, disciplinary probation, or formal written reprimand.

D.2 *Notice of Disciplinary Action*

In order to institute disciplinary action, the appointing authority, or his/her designee, shall serve written notice of the proposed disciplinary action in accordance with the following procedures.

Except when emergency or other special circumstances require immediate action, a notice of proposed disciplinary action (other than for formal reprimand) shall be delivered to the employee, either personally or by United States Postal Service, to the current address listed on the employee's most recent Personnel Action form, no less than five (5) calendar days prior to the effective date of any disciplinary action against the employee. The five (5) day prior notice requirement shall not apply to the following disciplinary actions, but may be given within a reasonable time after the commencement of such discipline.

D.2.1 Suspension without pay of five (5) days or less;

D.2.2 Suspension with pay of twenty (20) days or less;

D.2.3 Written reprimands;

D.2.4 Emergency or other special situations.

The notice(s) of disciplinary action shall together include the following:

- a) The nature of the disciplinary action;
- b) The effective date of the action;
- c) The causes for the action in ordinary, concise language with the dates and places thereof, when known;
- d) A statement that the material upon which the action is based is available for inspection; and
- e) A statement advising the employee of his/her right to respond, either verbally or in writing, to the appointing authority or his/her designee imposing the disciplinary action prior to the effective date, and the right to be represented in that response.

In order to implement the proposed disciplinary action or a lesser disciplinary action based on the same cause(s), a notice of disciplinary action shall be delivered to the employee on or as soon after the effective date of the disciplinary action as possible. This notice of disciplinary action shall contain the information specified in items a), b), and c) above and, in addition, shall include a statement of the employee's right of appeal, if any, and representation by a party of his/her choice. The notice also shall include a referral to the section of this Resolution titled, "Appeals from Disciplinary Action."

D.3 Reprimand

An appointing authority may reprimand an employee by furnishing him/her with a written statement of the specific reasons for such reprimand. A copy of the reprimand shall be placed in the employee's personnel file, and shall not be subject to appeal, but the employee shall have the right of rebuttal. The rebuttal, if it is in writing, shall be attached to the reprimand and placed in the employee's personnel file. The appointing authority may correct the reprimand at his/her discretion.

D.4 Disciplinary Probation

An employee may be placed on disciplinary probation for a specified period of time not to exceed twelve (12) consecutive months for each such instance, with the understanding that, should the causes for such action not be satisfactorily corrected or remedied during the period, subsequent disciplinary action may be taken. An employee on disciplinary probation shall serve at the pleasure of his/her appointing authority during such period of probation.

D.5 Suspension without Pay

Any suspension invoked as a disciplinary action under this section against an employee, whether for one (1) or more periods, shall not exceed ninety (90) calendar days in any one (1) calendar year; provided, however, that where a suspension is made because of criminal information or indictment filed against such employee, the period of suspension may exceed ninety (90) calendar days and continue until, but not after, the expiration of thirty (30) calendar days after the dropping of charges, or the judgment or conviction or acquittal of the offense charged in the complaint, or indictment has become final. Employees suspended shall forfeit all rights, privileges, and salary while on such suspension.

D.6 Suspension with Pay

Notwithstanding other provisions of this section, an employee may be suspended with pay and benefits for a period not to exceed twenty (20) working days upon a determination by the Administrative Officer that circumstances exist that make the immediate removal of the employee to be in the best interests of the County and that the employee cannot be effectively used in his/her job classification within the department.

D.7 Suspension Pending Investigation for Disciplinary Action

An appointing authority may suspend an employee under his/her control from his/her position at any time for reasons of investigation for disciplinary action. Such suspension may be either with or without pay subject to the limits set forth in Section D.5 and D.6 of this Article.

Written notice of such suspension shall be given the suspended employee as soon as possible, but not later than seventy-two (72) hours after such action is taken. Such suspension is not a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action. The appointing authority may reinstate any such suspended employee to his/her position for a good cause and shall, upon reinstatement, restore his/her rights, benefits and privileges with back pay for time lost providing the appointing authority is satisfied that no disciplinary action is appropriate.

D.8 Reduction in Salary

An appointing authority may reduce the salary of an employee for disciplinary reasons, provided that such reduction shall be to a step within the salary range of the classification of the position held by the employee. An employee so reduced in salary shall retain his/her anniversary date, but shall not be eligible for advancement to a higher step in the salary range of his/her job classification for a period of six (6) months from the date the reduction in salary became effective.

D.9 Disciplinary Demotion

An appointing authority may demote an employee, for disciplinary reasons, to any position with a lower salary, provided the employee meets the qualifications for the lower-level position. Such demoted employee shall not be eligible for promotion for a period of six (6) calendar months after the effective date of the demotion.

D.10 Dismissal

The continued tenure of each employee shall be subject to his/her satisfactory conduct and the rendering of efficient service. Should the cause of disciplinary action so warrant, an employee may be dismissed for either reason.

D.11 Absence without Leave Separation

An employee absent from duty for a period which exceeds three (3) working days [either consecutively or cumulatively in a sixty (60) day period] without authorized leave shall be considered to have abandoned his/her position and to have automatically resigned. Resignation shall be deemed effective upon the posting by United States Mail of Notice of Automatic Resignation, sent by the appointing authority or his designee to the last known address of the employee, as shown on his/her latest Personnel Action form.

Such resignation may be rescinded by the appointing authority if the employee can show, to the satisfaction of the appointing authority, that it was impossible to contact

his/her department of employment, provided the employee contacts the department within five (5) working days after notice of the automatic resignation sent by United States mail.

D.12 Statute of Limitations

No disciplinary action shall be valid against any County employee for any cause unless the notice of disciplinary action is served within one (1) year, except in matters of a serious nature which must be served within three (3) years, after the event which gave rise to cause of discipline, upon which said notice is based, first arose. In addition, disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within three (3) years after the discovery of such fraud, embezzlement or falsification.

Nothing herein shall preclude the County from disciplining an employee for cause which consists of a course of conduct or history of performance that began more than three (3) years prior to the notice of disciplinary action. Such disciplinary and/or performance record of beyond three (3) years shall be used only to determine the disciplinary penalty to be imposed.

D.13 Appeals from Disciplinary Action

- a) The disciplinary actions of written reprimand and suspension without pay for a period of three (3) days or less shall not be subject to any disciplinary appeal except as provided in "b" below.
- b) Employees in Representation Unit D (Public Defenders) and Unit E (District Attorneys) shall have the right of appeal from suspensions without pay of three (3) days or less.
- c) Seasonal employees with less than one (1) year of service in their current class, or temporary, or probationary employees shall not have the right of appeal from disciplinary action.
- d) Employees (other than temporary employees, or probationary employees, or employees who serve at the pleasure of their appointing authority) occupying a permanent position may file a written appeal from disciplinary actions other than those set forth in a) above. Said appeal must be filed in writing within a period of ten (10) calendar days after notification of the decision to take disciplinary action. However, those employees who are covered by a memorandum of understanding which sets forth an appeal procedure shall have those rights of appeal from disciplinary action and shall follow those appeal procedures which are set forth in the applicable memorandum of understanding, and may not avail themselves of the appeal procedure set forth herein.
- e) Said written appeal shall be filed with the Clerk to the Board of Supervisors and state the basis of the appeal and shall contain a specific admission or denial of the material allegations contained in the notice of disciplinary action.

- f) Within thirty (30) days after the filing of the appeal with the said Clerk, the Board of Supervisors shall appoint a hearing officer. The hearing officer shall commence a hearing on the appeal as soon as possible. The appellant and the appointing authority may appear personally and may be represented by counsel at the hearing. The hearing shall be public unless the appellant requests a private hearing.
- g) Before the hearing has commenced and during the course of the hearing, the hearing officer shall issue subpoenas duces tecum at the request of either party. Oral evidence shall be taken only on oath or affirmation. The appellant and the appointing authority shall each have the right to call and examine witnesses, to cross-examine opposing witnesses on any matter relevant to the issues, to impeach any witness and to rebut the evidence against him/her. Technical rules relating to evidence and witnesses do not have to apply to such hearings. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. At the hearing, the burden of proof shall be upon the County.
- h) At the conclusion of the hearing, the hearing officer shall prepare a summary record of the proceedings and prepare recommended findings, conclusions and decision. The hearing officer shall submit a copy of said record of findings, conclusions and decision to the Board of Supervisors.
- i) Within thirty (30) days after the filing of the record and recommended findings, conclusions and decision of the hearing officer with the Board of Supervisors, the Board shall adopt such recommended findings, conclusions and decision, or shall reject the recommendations of the hearing officer and adopt its own findings, conclusions and decision after a review of the record. The Board shall affirm, modify or reverse the order of the appointing authority causing the disciplinary action.
- j) The decision of the Board shall be final. In the event that the Board shall modify or reverse the order of the appointing authority imposing disciplinary action, the Board shall, at the request of an appointing authority who is required to file an individual official bond, require the employee to file an individual bond, said bond to be executed by said employee as principal, in an amount equal to the official bond filed by the appointing authority, said bond to inure to the benefit of the appointing authority. The premium cost of said bond shall be charged against the County.

E. GRIEVANCE PROCEDURE

Section re-lettered from D 6/6/10; 10-074

E.1 Purpose

The purpose of the grievance procedure is to promote improved employer-employee relations by establishing a procedure for the prompt settlement of certain disputes, hereinafter defined as grievances. The County and a recognized employee organization may, however, by written agreement, establish a different grievance procedure for the employees represented by that organization than that set forth below, in which event grievances filed by those employees shall be processed under the provisions of the grievance procedure established by written agreement.

E.2 Definition

A grievance shall be defined as a claim by an employee or group of employees of a violation, misinterpretation and misapplication, or improper application of written department-wide policy or written County-wide rules, regulations, resolutions, ordinances or a memorandum of understanding applicable to the employee, except as follows:

- E.2.1 Appeals of the disciplinary actions of demotion, suspension or dismissal shall be filed and processed pursuant to Monterey County Personnel Policies and Practices Resolution.*
- E.2.2 Complaints relating to affirmative action, occupational health and safety, or Workers' Compensation shall be processed pursuant to appropriate County complaint procedures in these areas.*
- E.2.3 Notwithstanding the foregoing, the grievance procedure is not applicable and shall not be used with the following:*
 - a) The exercising of any of the management rights enumerated in the County's employer-employee relations policy;
 - b) Any matter which is in the scope of representation in the meet and confer process;
 - c) Any matter for which a statutory appeal procedure exists.

E.3 Basic Rules

E.3.1 Non-Discrimination

Any employee may file a grievance or may authorize by signature the filing of a grievance on their behalf without fear of restraint, interference, coercion, discrimination or reprisal.

E.3.2 Grievance Forms

- a) Grievance forms shall be made available to the employee through the Human Resources Division, other County departments and recognized employee organizations, and all formal grievances shall be submitted on these forms.
- b) Grievance forms must explicitly specify the policy or the particular section of the agreement, rules, resolution or ordinance, the violation

of which is being alleged as the basis for the grievance. The remedy requested must also be specified.

E.3.3 Modifications

No modifications in the basic violation being alleged pursuant to Section E.3.2.b) shall be made subsequent to filing unless mutually agreed to by both the County and the grievant or their representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or the grievant's representative.

E.3.4 Notice of Meetings

Both the County and the grievant or their representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.

E.3.5 Right of Representation

- a) An employee has the right to representation of his/her choice at any step of the formal grievance procedure (Steps 2 through 4); provided, however, that supervisory employees shall not represent non-supervisory employees as such activity would result in a conflict of interest.
- b) An employee is also entitled to individual representation at any step of the grievance procedure.
- c) A grievant may not change his/her designated representative, other than designating themselves, during the processing of a grievance, except by mutual agreement of the grievant and the County.
- d) If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.

E.3.6 Grievance Withdrawal

The grievant may withdraw the grievance at any stage of the grievance procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Human Resources Division.

E.3.7 Grievance Resolution

If a grievance is resolved at Step 2, 3 or 4 in the procedure, the grievant concerned shall indicate acceptance of the resolution by affixing their signature in the appropriate space indicated.

E.3.8 Reconsideration at a Prior Level

By mutual agreement, the parties may revert the grievance to a prior level of reconsideration. If the grievance is not then settled at the prior level, the grievant shall continue to have the rights set forth in this procedure.

E.3.9 Consolidation of Grievances

Employees with essentially identical grievances, including remedy, may initiate a single grievance. Employees with essentially identical grievances may be required, at the County's discretion, to consolidate to a single proceeding at Steps 3 and 4 of this grievance procedure.

E.4 Processing Grievances

E.4.1 The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

- a) Representatives
 - 1) Insofar as possible, when a grievant's representative at Steps 2, 3 and 4 is a County employee, the representative shall be employed in the same work location as the grievant. When the foregoing condition cannot be met, a grievant's representative who is a County employee may be employed outside the same work location, provided said representative is no longer than ten (10) minutes away, by the most practical and common mode of transportation, from the grievant's work location. This time limit may be waived by mutual agreement of the parties when the grievant is assigned to a remote work location, or under other unusual circumstances.
 - 2) In no case shall County vehicles be used for transportation by employee representatives in connection with the processing of grievances, nor will reimbursement be considered for the use of private vehicles.
- b) Grievance Preparation
 - 1) Neither a grievant nor a grievant's representative who is a County employee shall leave their job to perform any grievance preparation work unless they receive prior permission from their supervisor. Such time off shall be granted within two (2) working days except in emergencies.
 - 2) When a grievant or any representative must go into a section, department or work unit to investigate a grievance, they shall be permitted to do so, provided they explain the purpose of the visit and who they are visiting to the supervisor of said section department or work unit. If immediate access cannot be granted upon request, it shall be granted within two (2) working days.
- c) Grievance Meetings
 - 1) A grievant or a grievant's representative who is a County employee shall, upon notification of their respective supervisor(s), be granted time off to attend grievance meetings scheduled pursuant to Section D.4 a) 1) of this procedure.

- 2) A grievant or a grievant's representative who is a County employee shall notify their supervisor as soon as possible in advance of the dates and times and/or any change in the dates and times of scheduled grievance meetings in which they must participate.
- d) A grievant or a grievant's representative, when said representative is a County employee shall not log compensatory time earned or premium pay time for any time spent in the processing of a grievance.

E.4.2 Time Limitations

- a) The time limitations are designed to quickly settle a grievance. Time limitations may be extended by agreement of the parties.
- b) If at any stage of the grievance procedure the employee is dissatisfied with the decision rendered it shall be the grievant's responsibility to submit the grievance to the next designated level of review within the time limits specified.
- c) Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the grievance shall be considered resolved.
- d) The grievant shall promptly proceed to the next step within the prescribed time limits if the appropriate management representative fails to respond within the time limits specified.

E.5 Grievance Procedure Steps

STEP 1 - Informal Discussion with Supervisor

- a) The grievance shall first be discussed on an informal basis by the aggrieved with his/her immediate supervisor within the twenty-one (21) calendar days from the date of the action causing the grievance. This initial step of the grievance procedure shall be without the right of representation.
- b) Every effort shall be made to resolve the grievance at this level, and may include conferences among supervisory and administrative personnel. The immediate supervisor shall verbally respond to the grievant within five (5) working days of the informal discussion between grievant and supervisor.

STEP 2 - Formal Written Grievance

- a) In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the supervisor within seven (7) working days after receipt of the immediate supervisor's verbal response. The grievant shall file one (1) copy with the Human Resources Division. If the grievance is not presented within the time limitations provided herein, it shall be deemed not to exist.

- b) Within five (5) working days of receipt of the grievance, the immediate supervisor shall schedule a meeting with the grievant to discuss the grievance. Within five (5) working days of the grievance meeting, the immediate supervisor shall deliver their written decision to the grievant. Any grievance settled at this step shall be subject to the review and confirmation of the respective department head before the settlement may become effective. Such review will occur within seven (7) working days or the grievance will automatically be moved to Step 3. In the event the department head does not confirm the settlement, the grievant may initiate Step 3 of this procedure.

STEP 3 - Department Head-Management Review

If a grievance is not settled or an answer is not forthcoming, the grievance may be appealed in writing within seven (7) working days from the receipt of the decision of the immediate supervisor or his/her failure to respond to the grievance.

- a) In larger departments, it may be necessary to involve the division or section head in the processing of the grievance, in which case the appeal from Step 1 shall be filed with the appropriate division or section head as determined by the department. Within ten (10) working days from the receipt of the appeal, the division or section head shall deliver his/her written decision to the grievant and his/her representative. Any grievances settled at this phase of Step 3 shall be subject to review and confirmation of the respective department head before the settlement may become effective. Such review shall occur within seven (7) working days or the grievance shall automatically be moved to the department head level as in b) below.
- b) If the grievance is not settled or an answer is not forthcoming from the division or section head, the grievance may be appealed in writing within seven (7) working days from the receipt of the decision from the division or section head to the department head. Within ten (10) working days from the receipt of the appeal, the department head shall deliver his/her written decision to the grievant and his/her representative.

STEP 4 - Administrative Officer

- a) In the event the employee believes his/her grievance has not been satisfactorily resolved, he/she shall submit the grievance in writing to the County Administrative Officer within seven (7) working days from the receipt of the department head's written response. A meeting of the parties may be held by mutual agreement of the parties.
- b) Within ten (10) working days from receipt of the grievance, the Administrative Officer shall deliver his/her written decision to the grievant and his/her representative. The decision of the Administrative Officer shall be final and binding on the parties.

BE IT FURTHER RESOLVED that the Board expresses its intent to reserve the right to make any further adjustments in the compensation of County employees and officers as may be required to meet contractual and legal obligations or to provide equitable treatment to all of its employees and officers as required in established County policy and procedures, to be effective as of the date of this Resolution or such earlier date as may be legal and determined by the Board to be appropriate.

Except as otherwise provided herein, the provisions of this Resolution shall be effective November 1, 1998.
