The Honorable Marie Alvarado-Gil  
California State Senate 7240  
1021 O Street, Room  
Sacramento, CA 95814

**RE: SB 820 (Alvarado-Gil) Cannabis; enforcement: seizure of property – SUPPORT**

Dear Senator Alvarado-Gil:

The County of Monterey is pleased to support your measure Senate Bill (SB) 820, which would allow the Department of Cannabis Control (DCC) or any local jurisdiction to seize implements, instruments, vehicles, currency, or personal property in the place or building, or within any yard or enclosure, where commercial cannabis activity is conducted without a license. It also states that the DCC or any local jurisdiction may seize an automobile or other vehicle used to conceal, convey, carry, deliver, or transport cannabis or cannabis products by or for a person engaging in commercial cannabis activity without a license.

Despite the existence and regulation of a legal cannabis industry in California following the approval of Proposition 64, the illicit cannabis industry persists. One recent study estimated that the black market still accounts for roughly two-thirds of the state's cannabis sales.<sup>1</sup>

In 2021, the California Department of Fish and Wildlife eradicated 2.6 million illegal cannabis plants, seized 794 firearms, removed over 32,000 pounds of trash from public lands, and removed 404 illegal water diversions. Moreover, the Unified Cannabis Enforcement Taskforce seized a combined total of \$9.5 million in cash, and a retail value of over \$1.3 billion in seized cannabis product in 2021 and 2022.<sup>2</sup>

Many illicit cannabis operations are able to quickly recover following enforcement actions due to complicit landlords, exploitation of workers, and remaining specialty equipment used for the cultivation, manufacturing, and retail of illegal cannabis. State and local enforcement efforts have minimal impact without addressing the underlining infrastructure that enable these lucrative illegal operations to bounce back quickly.

SB 820 would bolster enforcement efforts against illicit cannabis operations by authorizing, through a civil enforcement process, the removal of the underlying infrastructure—such as specialized cultivation and manufacturing equipment—used for unlicensed cannabis activities. It gives law enforcement a way to disrupt the financial resources of unlicensed conspirators that allow illegal cannabis operations to thrive. SB 820 will also bolster safe access to the cannabis market by targeting enforcement against unlawful operators that undermine the legal marketplace and jeopardize the public's health and safety.

It's vital to not only shut down bad actors, but to support licensed cannabis businesses that enhance reliable access to regulated, tested cannabis in the legal market. It is for these reasons that the County of Monterey supports SB 820. Should you have any questions, please feel free to contact the County of Monterey's Public Policy Advisor, Ashley Walker of Nossaman LLP at 916-442-8888.

Sincerely,

A handwritten signature in blue ink, appearing to read "Luis A. Alejo".

Luis A. Alejo, Chair  
Board of Supervisors
