Board Order

A motion was made by Supervisor Mary L. Adams, seconded by Supervisor Chris Lopez to:

- a. Receive and accept the Treasurer's Report of Investments for the Quarter Ending June 30, 2023;
- b. Receive and approve the Treasurer's Investment Policy for FY 2023-2024; and
- c. Renew the Delegation of Investment Authority to the Treasurer-Tax Collector pursuant to California Government Code 53607.

PASSED AND ADOPTED on this 25th day of July 2023, by roll call vote:

AYES: Supervisors Alejo, Church, Lopez, Askew, and Adams
NOES: None
ABSENT: None

I, Valerie Ralph, Clerk of the Board of Supervisors of the County of Monterey, State of California, hereby certify that the foregoing is a true copy of an original order of said Board of Supervisors duly made and entered in the minutes thereof of Minute Book 82 for the meeting July 25, 2023.

Dated: July 26, 2023
File ID: 23-613
Agenda Item No.: 51

Valerie Ralph, Clerk of the Board of Supervisors
County of Monterey, State of California

Emmanuel H. Santos
Emmanuel H. Santos, Deputy

County of Monterey

Item No.

Board Report

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

Legistar File Number: 23-613

July 25, 2023

Introduced: 7/12/2023

Current Status: Agenda Ready

Version: 1

Matter Type: General Agenda Item

- a. Receive and accept the Treasurer's Report of Investments for the Quarter Ending June 30, 2023;
- b. Receive and approve the Treasurer's Investment Policy for FY 2023-2024; and
- c. Renew the Delegation of Investment Authority to the Treasurer-Tax Collector pursuant to California Government Code 53607.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Receive and accept the Treasurer's Report of Investments for the Quarter Ending June 30, 2023;
- b. Receive and approve the Treasurer's Investment Policy for FY 2023-2024; and
- c. Renew the Delegation of Investment Authority to the Treasurer-Tax Collector pursuant to California Government Code 53607.

SUMMARY:

Government Code Section 53646 (b) (1) states the Treasurer may submit a quarterly report of investments. The attached exhibits provide a narrative portfolio review of economic and market conditions that support the investment activity during the April - June period, the investment portfolio position by investment type, and the investment portfolio by maturity range.

The Treasurer also reviews the County of Monterey Investment Policy annually and has recommended updates for Board approval. Primary updates are due to changes to California Government Code Section 53601 and Section 53646 from the passage of Senate Bill 1489 effective January 1, 2023. Additional changes were made for consistency with the County's recent branding updates, including the use of County of Monterey, the new County Emblem, and other minor edits for conciseness. In addition, annual Board delegation of investment authority to the Treasurer-Tax Collector is requested as prescribed by Government code sections 53607 and 53646.

DISCUSSION:

The U. S. economy is characterized by headline inflation numbers trending lower, but the Federal Reserve's focus, "supercore inflation," is showing little sign of slowing. The labor market has proven to be exceptionally strong and there is a more optimistic sentiment around economic growth due to resilient consumer spending.

The Federal Reserve temporarily paused interest rate hikes in June, following the most aggressive series of interest rate hikes in recent history. The Federal Reserve's most recent dot plot shows the potential for two additional rate hikes by the end of the year. Rates have moved up due to the Federal Reserve's rate trajectory shifting higher, the economy remaining stronger than expected, persistent

inflation, and the market’s “higher-for-longer” mindset.

On June 30, 2023, the County of Monterey investment portfolio contained an amortized book value of \$3,102,030,498 spread among 300 separate securities and funds. The par value of those funds was \$3,130,880,011 with a market value of \$3,037,423,839 or 98% of amortized book value. The portfolio’s net earned income yield for the period was 2.78%. The portfolio produced an estimated quarterly income of \$21,205,543 that will be distributed proportionally to all agencies participating in the investment pool. The investment portfolio had a weighted average maturity of 337 days. The County Treasury continues to utilize shorter term debt to provide portfolio liquidity and enhanced investment opportunities in the current market environment.

The investment portfolio follows all applicable provisions of state law and the adopted Investment Policy and contains sufficient liquidity to meet all projected outflows over the next six months. Market value pricings were obtained through resources such as Bloomberg LLP, US Bank, and live-bid pricing of corporate securities.

OTHER AGENCY INVOLVEMENT:

A copy of this report will be distributed to all agencies participating in the investment pool. The Treasury Quarterly Reports are also posted on the County Treasurer’s website. A monthly report of investment transactions is provided to the Board of Supervisors as required by Government Code 53607.

FINANCING:

The investment portfolio contains sufficient liquidity to meet all projected expenditures over the next six months. Investment earnings in the General Fund have exceeded the FY 2022-23 budgeted total.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This recommendation supports the Administration initiative by providing transparency and accountability in the management of County funds in the Treasurer’s investment portfolio.

- Economic Development
- Administration
- Health & Human Services
- Infrastructure
- Public Safety

Investment Portfolio Review

Quarter Ending June 30, 2023

OVERVIEW

April 1, 2023 – June 30, 2023

The U. S. economy is characterized by headline inflation numbers trending lower, but the Federal Reserve’s focus, “supercore inflation,” is showing little sign of slowing. The labor market has proven to be exceptionally strong and there is a more optimistic sentiment around economic growth due to resilient consumer spending.

The Federal Reserve temporarily paused interest rate hikes in June, following the most aggressive series of interest rate hikes in recent history. The Federal Reserve’s most recent dot plot shows the potential for two additional rate hikes by the end of the year. Rates have moved up due to the Federal Reserve’s rate trajectory shifting higher, the economy remaining stronger than expected, persistent inflation, and the market’s “higher-for-longer” mindset.

U.S. TREASURY YIELD CURVE

- U.S. Treasury yields rose across the curve as the market priced in the Federal Reserve’s path to “higher-for-longer.” The 2-year Treasury yield increased by 87 basis points by the end of the quarter.

	6/30/23	3/31/23	Change
3-month	5.28%	4.75%	+0.53%
1-year	5.39%	4.62%	+0.77%
2-year	4.90%	4.03%	+0.87%
3-year	4.53%	3.79%	+0.74%
5-year	4.16%	3.58%	+0.58%
10-year	3.84%	3.47%	+0.37%
30-year	3.86%	3.65%	+0.21%

- Yields tracked back to highs last seen in early March of 2023. This was led by the Federal Reserve’s commitment to slow inflation and resiliency in the labor market.

PORTFOLIO STRATEGY

The County of Monterey Treasury maintains a well-diversified portfolio across sectors and issuers while maintaining a high credit quality of the portfolio and closely monitoring corporate holdings. Four indicators reflect the key aspects of the investment portfolio:

1. Market Access – During the quarter, investment purchases for the portfolio included Corporate Notes, U.S. Treasury Notes, Commercial Paper, Certificates of Deposit, and Federal Agencies. The Treasurer continues to maintain an adequate level of liquid assets to ensure the ability to meet all cash flow needs.
2. Diversification – The County of Monterey Treasurer’s portfolio consists of 300 separate fixed income investments, all of which are authorized by the State of California Government Code 53601 and the Investment Policy.

The portfolio assets are allocated between overnight vehicles and the long-term portfolio as detailed in the table below:

Portfolio Asset Composition								
Corporate Notes	Negotiable CDs	Overnight Liquid Assets	U.S. Treasuries	Federal Agencies	Commercial Paper	Supra-nationals	Municipal Bonds	Asset Backed Securities
15.3%	1.1%	26.2%	33.4%	18.0%	4.7%	1.2%	<0.1%	<0.1%

• Total may not equal 100% due to rounding

3. Credit Risk – Approximately 83.4% of the investment portfolio is comprised of U.S. Treasuries, Federal Agency securities, Negotiable CDs, and other liquid funds. All assets have a better than investment grade rating. U.S. Treasuries are not specifically rated but are considered the safest of all investments. Most corporate debt (15.3%) is rated in the higher levels of investment grade and all Federal Agency and Municipal holdings are rated AA- or higher. The Supranationals (1.2%) are rated AAA. The credit quality of the Treasurer’s portfolio continues to be high.

The portfolio credit composition is detailed in the table below:

Portfolio Credit Composition								
AAA	AAAm	AA	A	A-1 (Short Term)	Aaf/S1+ (CalTRUST)	BBB+ (split rated)	LAIF (not rated)	Not Rated by S&P
1%	15%	55%	10%	8%	11%	<1%	<1%	<1%

• Total may not equal 100% due to rounding

4. Liquidity Risk – Liquidity risk, as measured by the ability of the County Treasury to meet withdrawal demands on invested assets, was actively managed during the April - June quarter. The portfolio’s weighted average maturity was 337 days, and the Treasurer maintained \$800 million (26%) invested in overnight investments and \$1 billion (33%) in securities with maturities of one day to one year to provide immediate liquidity to be able to react quickly to unanticipated needs or opportunities in the current market environment.

PORTFOLIO CHARACTERISTICS

	March 31, 2023	June 30, 2023
Total Assets	\$2,846,291,249	\$3,130,880,011
Market Value	\$2,764,310,402	\$3,037,423,839
Days to Maturity	406	337
Yield	2.33%	2.78%
Estimated Earnings	\$16,181,866	\$21,205,543

The Treasury continues to strategically invest matured assets while accounting for potential liquidity needs. Opportunities are actively evaluated to safely add value to the County’s portfolio while maintaining a strong sense of safety and risk management.
