The County of Monterey, in cooperation with the cities of Del Rey Oaks, Gonzales, Greenfield and Sand City is an entitlement jurisdiction participating in the U.S. Department of Housing and Urban Development's (HUD's) Community Development Block Grant (CDBG) Program. The County's CDBG Program covers the unincorporated areas and the cities of Del Rey Oaks, Gonzales, Greenfield, and Sand City collectively known as the "Urban County" for CDBG purposes. The County and cities are seeking proposals for eligible projects to be funded with CDBG funds in Program Year 2024-2025 (7/1/24 – 6/30/25).

The County of Monterey will conduct a Public Meeting to obtain public input on the Urban County's unmet housing and community development needs for low- and moderate-income persons as well as potential activities to address those needs as they relate to CDBG Program eligible activities. The County will also hold a CDBG program workshop for potential applicants regarding the PY2024-25 CDBG funding, to explain the County's CDBG funding application process, present the application timeline, and provide technical application assistance to potential applicants.

The Urban County anticipates receiving CDBG funds of approximately \$1,155,895 during Program Year 2024-25. CDBG funds may be utilized for public services (limited to 15% of the grant) and program administration (limited to 20% of the grant) and the remaining funds for affordable housing, public facilities, and economic development.

All potential CDBG funding applicants are strongly encouraged to attend the workshop to apply to the County of Monterey by the application deadline of January 19, 2024. The workshop will be held on December 11, 2023, from 9:00 a.m. to 10:00 a.m. at the County of Monterey Government Center, 1441 Schilling Place, Salinas, CA 93901, Thyme Room (accessible through the main entrance and up utilizing either the stairs or elevator) and will also be live streamed.
