In the case of tent camping, your tent takes the place of a primary vehicle. LSRA defines support vehicles as non-sleeping vehicles towing, being towed by or accompanying the primary vehicle. The primary purpose of a support vehicle is to provide transportation to and from the facility throughout your stay. There is a \$15 fee for additional support vehicles.

Marked fire lanes must be kept clear at all times. Violators will be towed at owner's expense.

Picnic tables and fire pits must remain in their designated campsites.

Firewood is available to purchase from the campground hosts at the entry station or volunteer sites #24-29.

Fire rings are provided in campgrounds A (GRAND PRIX), B (CHAPARRAL) & C (CAN-AM). No Open Fires. Fires must be self contained. If your site does not have a firepit you may use your own container (i.e. charcoal grill, hibachi, etc.), but open fires are not permitted.

Dumping grey water or waste onto the ground is prohibited. Dumping station is located at the top of "A" Road. WATER IS NON-POTABLE.

Electronic equipment, including radios, may not emit sound beyond your immediate campsite. Sound from electronic equipment is limited to your campsite only.
