<p>Notes:</p> <ul style="list-style-type: none"> • Discussion on best days, times, locations to meet and outreach/event activities to include (stretching, meditation, etc.) • Detailed discussion on the purpose of CRHC – what's our mission as a group, do we need to come up with a new mission statement? We need to create safe-spaces for those who are not English-speaking, place for them to go where they can express that they have a grievance. • Discussion on location of the BHC meetings and how they're supposed to travel throughout the county, along with the significance of these meetings and the information available at them. • Info shared from Care Court AB3265... Care Act was put together by Newsom. It takes away funding from Prevention and Early Interventions Initiative (PEI), which is funded by the "Millionaires' Tax". Bill looks like it will pass. • Review of proposed mission statement: <ul style="list-style-type: none"> • Mission Statement: <p>"Our mission is to promote cultural competence within the Behavioral Health Bureau of Monterey County by providing leadership, guidance, and</p>	<p>Michelle Carter</p>
--	------------------------

support, to behavioral health professionals, community-based organizations and cultural groups. We aim to:

II.Ensure that our Behavioral health Bureau is reflective of the community it serves by incorporating the perspectives of our community members, grass roots organizations, and cultural groups in the decision-making process.

III.Foster cultural awareness
