The NEW date of eligibility for step advancement may be adjusted by the number of days in excess of sixty (60) calendar days that the employee has served in an "acting" capacity. Said adjustment shall provide for the employee becoming eligible for step advancement on an earlier date than he/she otherwise would.

When an employee is permanently appointed to a position in which he/she held an "acting" appointment without a break in service, he/she shall receive a minimum five percent (5%) increase in salary over the salary received in the class held prior to the "acting" appointment, in accordance with this Resolution. ### A.2.4 Difficult to Recruit Positions - Placement Above the Salary Range – Applicable only to the Peace Officer Series in the Sheriff's Office, the Elections Services Specialist in the Elections Department and the Worker's

Compensation Manager position in the County Administrative Office – Risk Management Division.

Except as otherwise provided in this Resolution, a new employee shall be appointed at the first step of the salary grade. Section A.2.1 addresses advancement within the salary range for difficult to recruit positions. Section A.2.4 addresses advancement beyond the existing salary range when specific criteria are met and permits adjustments for other members of the same classification within the same department.

a) Application of A.2.4

Labor market conditions may occasionally make it difficult to recruit for certain classifications. In such cases, recruitments are opened and either: (1) no suitable candidates are identified; or (2) suitable candidates are identified, but do not accept offers of employment even at the top step of the relevant salary range.

(1) Unsuccessful Recruitments

An unsuccessful recruitment is defined as a recruitment that was opened and did not result in any offers of employment to applicants, because no suitable candidates were identified in the examination process. Not all unsuccessful recruitments qualify for the provisions of this section; the recruitment must qualify under subsection (c) below. The intent of this section is to allow subsequent recruitments to open offering a stipend above and beyond the base salary, where it is established that the recruitment was unsuccessful because the salary range is too low.

(2) Unsuccessful Offers of Employment

An unsuccessful offer of employment is defined as an offer at the highest allowable step of the salary range that is declined by an applicant who has been identified as suitable through an examination process. Not all unsuccessful offers qualify for the provisions of this section; the recruitment must qualify under subsection (c) below. The intent of this section is to allow departments to offer a stipend above and beyond the base salary to a suitable applicant, where it is established that the offer was declined because the salary offered was too low and there are no other suitable applicants on the eligible list.

b) Relief for Unsuccessful Recruitments or Unsuccessful Offers

If the recruitment or offer qualifies as unsuccessful or the offer of employment is declined (as defined in subsection (a) above), the appointing authority may request that the CAO (or his or her designee) approve a recruitment stipend to be paid in addition to the highest step for a subsequent recruitment or for an additional job offer.

(1) Unsuccessful Recruitments

Requests for relief for Unsuccessful Recruitments, if approved, will permit Departments to reopen a new recruitment with a stipend that is 5%

(five percent) or 10% (ten percent) above the highest step of the classification.

(2) Unsuccessful Offers

Requests for relief for Unsuccessful Offers will permit a Department to make an additional offer to a suitable candidate with a stipend that is 5% (five percent) or 10% (ten percent) above the highest step of the classification.

c) Evaluation Criteria

It is recommended that Departments consider the criteria outlined below when submitting requests for the relief provided in this section.

Departments seeking relief under the provisions of this section should support the request with relevant information, which includes but is not limited to the following factors: (1) Whether previous recruitments for the same classification have been unsuccessful; (2) Whether there is evidence of a workforce shortage (of applicants) in the particular classification; (3) Whether the current salary range is not competitive within the relevant market and why; (4) Whether previous offers at the highest permissible step in the salary range have been unsuccessful; and (5) Vacancy rate data relating to the specific classification.

d) Adjustments to Department Incumbents in the Same Classification

In the event the CAO or his/her designee authorizes a position be granted a stipend, the CAO or his/her designee may also grant the same stipend to all current permanent full-time or part-time employees serving in the same classification within the Department under the following guidelines.

## A.4 INCREASES WITHIN SALARY RANGE

### A.4.1 Eligibility for Step Advancements

An employee will be eligible for advancement to any higher step in a salary range of his/her class upon completion of each year of continuous service in his/her class in a full-time permanent or seasonal position. The County Administrative Officer may, upon written request of the department head, authorize the step advancement of an employee on a date other than the step eligible date when he/she deems it to be in the best interest of the County. Pursuant to the NMC HR MOU Regarding Delegation of HR Functions, the NMC Chief Executive Officer may approve such action for employees employed by Natividad Medical Center.

During an employee's initial probationary period in that class, the appointing authority may grant advancement to any higher step in the salary range. In determining the appropriateness of advancing a probationary employee above the initial step, the appointing authority should consider the criteria used for determining initial step placement.

The step advancement shall be effective at the beginning of the pay period within which the employee becomes eligible for the step advancement.

If the County Administrative Officer determines that an employee failed to receive a step advancement on the date on which he/she was otherwise eligible due to administrative or clerical error, the Auditor-Controller is authorized and directed to pay the employee the amount he/she would have received if the error had not been made.

The granting of step increases shall be based on satisfactory performance and continuing job-related development by each employee. It shall be the prerogative of an appointing authority to withhold any employee's step increase upon his/her finding lack of satisfactory performance of normal job-related development by an employee. Withholding of step advancement shall not change the step eligible date.

An employee in a broadband classification, in unrepresented units, shall not be eligible for regularly scheduled step increases. Rather, the salary of such an employee shall be adjusted upward or downward in the broad range subject to the discretion of the appointing authority based on performance and/or market factors of the applicable survey classification.

### A.4.2 Date of Step Advancement

The date of eligibility for advancement of a permanent or seasonal employee to a higher step in a salary range shall be determined by the employee's most recent date of appointment or reemployment to his/her current class. Each time an employee receives a permanent appointment, regardless of the nature of the appointment (i.e., original appointment, demotion, transfer, promotion, reclassification, reemployment, reinstatement, etc.), to a different class, eligibility for step advancement will be the date of appointment to the new current class. Notwithstanding the

foregoing, the transfer of an employee to a position in the same class shall not affect the step eligible date.

*Amended 2/18/03; 03-063*

A.4.3 Evaluation

An evaluation of eligibility for advancement to the highest step will occur at least three (3) months prior to the employee's step eligible date. If the employee's performance is found lacking, additional instruction and experience will be recommended and/or provided by the appointing authority. The appointing authority shall confirm this evaluation in writing to the employee if there is need for improvement. Failure to provide notice of reasons for withholding advancement to the highest step at least three (3) months prior to the step eligible date, due to an administrative omission, shall not preclude withholding of such advancement.

Employees serving in an "acting" capacity shall not be eligible for a step advancement during the duration of the "acting" appointment.

The new step advancement date of an employee who has served in a class in an "acting" capacity pursuant to the section of the Personnel Policies and Practices Resolution titled "Appointments" for a period of four (4) pay periods or more may be adjusted, as follows, upon approval of the Deputy CAO - Human Resources, if said employee is appointed without a break in service on a permanent basis to the class in which he/she served in an "acting" capacity. Pursuant to the NMC HR MOU Regarding Deletion of HR Functions, the NMC Chief Executive Officer may approve such adjustment for employees employed by Natividad Medical Center

The NEW date of eligibility for step advancement may be adjusted by the number of days in excess of sixty (60) calendar days that the employee has served in an "acting" capacity. Said adjustment shall provide for the employee becoming eligible for step advancement on an earlier date than he/she otherwise would.

When an employee is permanently appointed to a position in which he/she held an "acting" appointment without a break in service, he/she shall receive a minimum five percent (5%) increase in salary over the salary received in the class held prior to the "acting" appointment, in accordance with section A.4.1 of this Resolution. The salary used in computing the five percent (5%) increase shall be determined by including any step advancements he/she would have received in the class held prior to the "acting" appointment.

b) Working Out of Class Assignment

An employee in Units F, J, H and K who has been given a working out of class assignment pursuant to the provisions of section A.5.7 shall retain his/her eligible date, but shall not be eligible for a step advancement during the "working out of class" assignment.

c) Return from Acting Appointment or Working Out of Class Assignment

When a permanent employee is given an "acting" appointment or "working out of class" assignment and is subsequently returned to the permanent position he/she occupied immediately prior to receiving the "acting" appointment, without a break in service, said employee shall retain the same step eligible date as he/she had prior to the "acting" or working out of class appointment. If said employee's step eligible date occurred while he/she was serving in an "acting" or "working out of class" capacity, said employee shall receive the step advancement immediately upon return to the position held prior to the "acting" or working out of class appointment.

d) Nothing in this section shall serve to reduce the probationary period established pursuant to the Personnel Policies and Practices Resolution. The provisions of this section shall not apply to temporary assignments made pursuant to any memorandum of understanding or section A.5.7 of this Resolution.

A.4.7 Step Advancement for Temporary Employees

A temporary employee may be advanced within a salary range, based on the number of hours worked without a break in service. To be eligible for advancement to a higher step, a temporary employee must have completed one (1) continuous year and two thousand eighty (2080) hours of service in his/her class. Eligibility for step increases for a temporary employee appointed to permanent positions shall be determined by his/her date of permanent appointment. It shall be the prerogative of an appointing authority to grant step advances to temporary employees.

A.4.8 Step Advancement for Part-time Permanent Employees

A part-time permanent employee may be advanced within a salary range based on the number of hours worked. To be eligible for advancement to any higher step, a part-time permanent employee must have completed one (1) continuous year and two thousand eighty (2080) hours of service in his/her class. Eligibility for step increases for part-time permanent employees shall, from the date of change to part-time status, be calculated based on the completion of an equivalent number of hours to that required of a full-time permanent employee. Such employees' step eligibility date shall continue to be calculated in this manner until the employee moves to a higher or lower paid class on a full-time basis. Eligibility for step increases for a part-time permanent employee appointed to a full-time permanent higher or lower paying new classification shall be determined by his/her date of appointment to the full-time position.

A.4.9 Waiver for Unusual Circumstances

- b) Notwithstanding any other provision of this Resolution, the County Administrative Officer may authorize the advancement of employees to the next step in their salary range when all of the following conditions exist.
  - 1) An employee has been demoted to a class with a lower salary range in lieu of layoff through no fault of the employee;

## A.5 SALARY ON CHANGE OF CLASS OR POSITION

### A.5.1 Salary on Change to Higher Class

The salary of an employee who is promoted or reclassified to a class having a higher salary range shall be adjusted to the first step of the new salary range or to the next higher step which provides a minimum of five percent (5%) salary increase.

Except as provided below, it is the intent of the Board of Supervisors that employees receive an increase of not less than five percent (5%) or Step 5, whichever is less, as a result of a promotion or reclassification to a higher salary range.

In cases where a current County employee competes for a vacant position in a class with a higher salary range than his/her current position, and he/she is referred to an Appointing Authority, and he/she is selected to fill the position, Section "A.2.1 General Provisions" of "Employment at Step Within Salary Range" of this Personnel Policies and Practices Resolution may be applied to determine rate of pay upon appointment to the new class.

In cases where as a result of reclassification an employee is being promoted into a class directly from a "working out of class" status for a period of one (1) year and has not received an increase in salary per the provisions of section A.4.6 and, as a consequence, will not receive an increase at the time of his/her promotion under the provisions of the first paragraph of this section, the Deputy CAO - Human Resources at his/her discretion may authorize placement in the range of the class to which the employee is being reclassified which would provide an increase of up to five percent (5%) above the salary received while "working out of class." Pursuant to the NMC HR MOU Regarding Delegation of HR Functions, the NMC Chief Executive Officer may approve such placement for employees employed by Natividad Medical Center.

If an employee is being paid at a Y-rate and is promoted as a result of reclassification to a class which has a pay range exceeding the Y-rate amount, the five percent (5%) minimum increase shall not apply. Instead, the employee's salary shall be adjusted to the lowest step in the new range which provides an increase in salary.

- a) Assign the employee to a step in the new (lower) range which is equal to or lower than the salary rate the employee was receiving in the old (higher) class; or
- b) Place the employee at a Y-Rate. Under Y-Rate, the employee's Y-Rate salary (current salary) stays in effect until either:
  - 1) The range of the new (lower) is increased causing the step (immediately below the employee's Y-Rate salary) to meet or exceed the employee's Y-Rate salary; in which case the employee will be placed in that step, or
  - 2) The employee's step eligible date occurs, in which case the employee will be moved to the next higher step in the range of his/her new class which is above the Y-Rate salary.

Having now been assigned to a step in the new (lower) classification, the employee will be advanced to the next step as provided in the sections of this Resolution governing step advancements, demotions and reclassification.

A.5.3.1 Salary on Reassignment

If an employee voluntarily accepts reassignment to another County position of equal or lower pay for which he/she meets the minimum qualifications, and such reassignment is deemed by the County Administrative Officer to be in the best interest of the County, salary and benefit placement will be made in accordance with the County's regular Y-rating procedures.

*Added all bargaining units and benefits: 12/11/01; 01-480*

On the applicable effective date, benefits assigned to the old class or representation unit will be discontinued and the employee will begin receiving only benefits assigned to the new class.

At no time during the term specified above will there be any duplication or pyramiding of benefits.

A.5.5 Step Increase and Change of Class

In the event that a promotion, reclassification, or salary adjustment is to be effective on the same date that an employee is eligible for consideration for a step increase, he/she shall, if approved, receive the step increase prior to calculation of salary effective upon promotion, reclassification or salary adjustment.

*Amended 7/11/95; 95-301*

A.5.6 Effective Date of Personnel Actions

Such temporary promotions shall not result in an adjustment in eligibility for step increases in the lower, permanent

class. The provisions of this section shall apply only in situations where the person occupying the higher class is absent by reason of vacation, sick leave, leave of absence, or disciplinary suspension.

b) **Miscellaneous Employees**

When an employee in Units X, Y, or Z is assigned to and performs all of the duties of a higher permanent position in a classification whose salary range is at least ten percent (10%) higher than the range of the employee's regular classification, that employee shall be compensated at the step in the higher classification that provides an increase to the assigned employee of at least five percent (5%). Such assignment shall not change the unit designation or other benefits of the assigned employee. The assignment must be for over twenty (20) consecutive working days. Such additional compensation shall begin on the twenty-first (21st) working day after the assignment to the duties of the higher vacant position.

A.9.17 Educational Stipend – X Unit

Any permanent X Unit member who has earned a college degree (Bachelor's or higher) from an accredited institution will receive additional compensation at 2% of the base hourly wage. This stipend became effective January 1, 2008, based upon X Unit hourly wages only. Employees who are not permanently assigned to an X Unit classification (acting, "working out of class", seasonal, Limited Term, etc.) are not eligible for this stipend.

Employees are awarded the 2% Educational Stipend one of two ways:

- (1) Permanent and new-hire X Unit employees possessing Bachelor's degrees or higher must provide a copy of the degree (or other suitable documentation) that will be maintained in the official employee file; or
- (2) Post-probationary, X Unit employees who do not hold a degree may also qualify for this stipend by meeting 70% of the X Unit Threshold Competencies, as described below.

Notwithstanding the provisions below, this stipend is retroactive to January 1, 2008, or to date of hire whichever is later, for those X-Unit employees in

the qualifying position as of July 1, 2008 if they possess the Bachelor's degree or 70% competency prior to July 1, 2008. Otherwise, eligibility date for this stipend will be determined as described below.

#### New Employees

Upon hire, the employee should be notified of the eligibility criteria for this stipend. New employees or those newly promoted into the X Unit, are eligible for this stipend immediately if they possess a Bachelor's degree or higher. For these employees, the Personnel Action Form must include a statement authorizing the stipend. New hire or newly promoted employees without degrees become eligible only upon successful completion of the probationary period. For these employees the new hire Personnel Action Form must include a statement declining the stipend. Threshold Competencies will be evaluated at the successful completion of the probationary period. Should a rating of 70% or better be achieved, the 2% educational stipend will be awarded retroactive to the employee's X Unit start date.

#### X Unit Employees Without Degrees

Beginning July 1, 2008, post-probationary, permanent X Unit employees without degrees must be evaluated by their managers in advance of their step-eligible date, using the X Unit Threshold Competencies Evaluation Form (TCEF). Managers will then file the original TCEF in the employee's official file and submit a copy to Central HR. Should a rating of less than 70% be obtained, the manager must submit a Personnel Action Form, with a copy of the Evaluation Form, to the Payroll Department in order to "turn-off" payment of the Educational Stipend. An employee whose initial rating is less than 70% may be reevaluated at no less than a 6-month interval.

#### Appeals to Threshold Competencies Rating

An employee whose Threshold Competencies Rating is less than 70% may file a written appeal with the Department Head within a period of seven (7) calendar days after notification of the evaluation results. The appeal must state the basis of the appeal and contain specific justifications/examples supporting a higher rating. Within fourteen (14) days of receipt of the appeal, the Department Head shall respond to the appellant in writing.

The employee may appeal the Department Head's decision by filing a written statement with the Assistant County Administrative Officer-HR (ACAO-HR) within seven (7) calendar days of receipt of Department Head response. The ACAO-HR shall respond to the appellant in writing within fourteen (14) days of appeal receipt. The decision of the ACAO-HR is final.

Once the employee has met 70% of the Threshold Competencies criteria, or has obtained a four- year degree, the stipend will be payable until such time as this policy is discontinued or modified.

The stipend will be effective with the step-eligible pay period, or later (depending upon the date of submission to payroll). It will not be retroactive.

#### A.30.13 Election to Cash Out of Vacation/Annual Leave/Paid Time Off

In order to "cash out" or otherwise require the County to buy back vacation, annual leave or paid time off, the employee must first meet the eligibility criteria set forth in the applicable provisions of the PPPR. If such criteria

are met, only then the employee may request and be granted compensation in lieu of vacation/annual leave/PTO for up to the amounts set forth in the PPPR, under the terms set forth below. If such criteria are not met as of December 31 of the calendar year in which the election is required to be made, then the employee has no right to election to “cash out” accrued time in the next calendar year.

- a) An eligible employee may elect to pre-designate an irrevocable cash-out amount of up to the maximum number of hours of vacation/annual leave/PTO for the upcoming calendar year as set forth for his/her respective class. Requests for cash-out must be made prior to December 1 of the calendar year before the cash out will be made (for example. Requests for the 2016 calendar year will be made before December 1, 2015).
- b) Cash-out designations shall be made in hours, not dollar amounts, and must be in increments of 8 hours.

Any such request will be subject to the following:

- i. An employee utilizing this provision will be required to submit an irrevocable election by December 1st of the calendar year prior to the calendar year in which the vacation/annual leave/PTO hours to be cashed out are earned.
- ii. An employee who elected to receive the cash-out as set forth above, may request a full or partial payment of the cash-out at any time in the designated calendar year, but only once per calendar quarter. For requested cash-out occurring in 2016, a full or partial payment is not guaranteed in the month of January.
- iii. For employees who have pre-designated cash-out amounts and who have requested actual payment(s) of the entire designated “cash out amount” by December 1st of that calendar year, the County will automatically pay out the pre-designated amount (or remaining amount designated but not paid) by the last paycheck of the calendar year.
- iv. Employees who have not elected to pre-designate a cash out by the applicable deadline (December 1st of the prior calendar year) will be deemed to have waived their right and will not be eligible to cash out any vacation/annual leave/PTO in the following calendar year (for example, if no designation is made by December 1, 2015, no cash out is available in 2016).

## B. 18 LACTATION IN THE WORKPLACE

It is the policy of the County of Monterey to strongly support and encourage the practice of breastfeeding by striving to accommodate the needs of employees, and by ensuring that employees are provided with adequate facilities for breastfeeding, and/or the expressing of milk for their children. Further, it is the policy of the County of Monterey to provide support and awareness of the importance of breastfeeding to County employees and the community.

The County of Monterey recognizes that breast milk is the optimal food for growth and development of infants. The County supports employees and management in the creation of a positive, accepting attitude toward working women and breastfeeding. Discrimination and/or harassment of breastfeeding mothers in any form is unacceptable and may subject the offender to disciplinary action.

### **Purpose**

The purpose of this policy is to comply with state laws regarding breastfeeding and expressing milk for the nourishment of children. In 1997 the State of California added Section 43.3 to the Civil Code to provide for the ability of a mother to breastfeed in public.

Additionally, this policy will establish guidelines for promoting:

- Breastfeeding behavior among County of Monterey employees while on parental leave
- The establishment of a work environment that encourages and supports continued lactation upon return to work

- Policies and practices in the MCHD (Monterey County Health Department) that generate support and awareness of the importance of breastfeeding to community wellness that may serve as a model to other communities.

## **Guidelines**

### **1. Training**

- a. A Monterey County Breastfeeding and Lactation website will be developed and hosted by the County Wellness Program. Site content will be provided and updated by the Wellness Program Coordinator in consultation with the Monterey County Breastfeeding Coordinator.
- b. A breastfeeding educational pamphlet will be included in the new employee orientation packet.
- c. A breastfeeding education packet, including a copy of this policy and information about breastfeeding support after returning to work, shall be provided to employees prior to their maternity leave. This packet shall also be provided to expectant spouses prior to taking Family Medical Leave.
- d. Information promoting the benefits of breastfeeding shall be displayed in County Department break areas and be featured in the Employee Wellness Program's newsletter at least once a year.
- e. Expectant and breastfeeding employees and expectant spouses may use their Wellness release time for pre-approved breastfeeding education and support classes. Additional educational resources will be posted on the MCHD Website Wellness Program page.
- f. Wellness Program staff will be available to consult with any employee or supervisor regarding lactation accommodation issues and may conduct site visits as necessary to promote a positive, accepting attitude toward working women who are breastfeeding.

### **2. Scheduling**

Employees shall be allowed a flexible schedule for pumping breast milk. The time allowed may exceed a normal lunch or break period. Any time in excess of a normal lunch or break period will not be paid as regular work time but with supervisory approval, the employee may make up her time with either sick leave, annual/vacation leave, or a flexed work schedule. At the request of an employee or a supervisor, Wellness Program staff will be available to help design a break schedule.

### **3. Facilities**

Employees shall be provided the use of a clean, comfortable space or "Lactation Area." If a designated Lactation Area is not available, vacant offices or conference rooms are possible options. A restroom is not acceptable. The Lactation Area should be secure, equipped with an electrical outlet, be in close proximity to the employee's work area, and contain comfortable seating with a table or other flat surface to hold a breast pump. Windows should be covered.

Ideally, the Lactation Area should be near a sink with hot water and soap for hand washing and cleaning of equipment and access to a refrigerator for storage of expressed breast milk.

Managers, supervisors and employees may contact the Wellness Program if they desire assistance in lactation accommodation in their facility. Other resources will be available on the MCHD website on the Employee Bulletin Board link.

#### 4. Compliance

Department HR (Human Resources) will be responsible for designating Lactation Areas. In remote and/or small facilities, HR will work with the employee and with management to ensure reasonable accommodations are made.

Managers and supervisors shall respond to any request for lactation accommodation in a manner consistent with the procedures outlined in this policy.

#### 5. Atmosphere of Tolerance

Each Monterey County Department shall create an atmosphere of tolerance regarding lactation in the workplace. Breastfeeding shall not be a source of discrimination in employment or in access to employment. It is prohibited under this policy to harass a lactating employee or exercise any conduct that creates an intimidating, hostile or offensive working environment. Any incident of harassment of a lactating employee will be addressed in accordance with County of Monterey policies and procedures for discrimination and harassment.

#### 6. Unusual Circumstance

The County recognizes that some remote locations (such as a remote Library) may not have adequate facilities to accommodate a lactating employee. In such instances, the Department Head and Department Human Resources staff will work with the employee to effect a mutually acceptable solution. This may include a flexible schedule to allow the employee to return home for such activity, a temporary transfer to a larger facility, or other resolution.

### **Background & Legal Authority**

Civil Code section 43.3 provides as follows:

"Notwithstanding any other provision of law, a mother may breastfeed her child in any location, public or private, except the private home or residence of another, where the mother and the child are otherwise authorized to be present."

In 1998 the California State Assembly passed Assembly Resolution No. 155 resolving the following:

"Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature encourages the State of California and all California employers to strongly support and encourage the practice of breastfeeding by striving to accommodate the needs of employees, and by

ensuring that employees are provided with adequate facilities for breastfeeding, or the expressing of milk for their children; and be it further

“Resolved, That the Legislature respectfully memorializes the Governor to declare by executive order that all State of California employees shall be provided with adequate facilities for breastfeeding, or the expressing of milk”

In 2002 the State of California added Labor Code Sections 1030-1033 to provide the following:

"1030. Every employer, including the state and any political subdivision, shall provide a reasonable amount of break time to accommodate an employee desiring to express breast milk for the employee's infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Break time for an employee that does not run concurrently with the rest time authorized for the employee by the applicable wage order of the Industrial Welfare Commission shall be unpaid.

“1031. The employer shall make reasonable efforts to provide the employee with the use of a room or other location, other than a toilet stall, in close proximity to the employee's work area, for the employee to express milk in private. The room or location may include the place where the employee normally works if it otherwise meets the requirements of this section.

“1032. An employer is not required to provide break time under this chapter if to do so would seriously disrupt the operations of the employer.

“1033. (a) An employer who violates any provision of this chapter shall be subject to a civil penalty in the amount of one hundred dollars (\$100) for each violation. (b) If, upon inspection or investigation, the Labor Commissioner determines that a violation of this chapter has occurred, the Labor Commissioner may issue a citation. The procedures for issuing, contesting, and enforcing judgments for citations or civil penalties issued by the Labor Commissioner for violations of this chapter shall be the same as those set forth in Section 1197.1. (c) Notwithstanding any other provision of this code, violations of this chapter shall not be misdemeanors under this code.”

Scientific research indicates that breastfeeding and the use of human milk for infant feeding results in positive outcomes not only for the mother, infant and their family, but for the workplace, community and environment as well. An infant who is breastfed has a lower risk of infectious diseases, Sudden Infant Death Syndrome (SIDS), overweight/obesity, Type 1 and 2 diabetes, heart disease, hypertension, asthma, and certain types of cancer. A mother who breastfeeds has reduced risks of breast and ovarian cancer, Type 2 diabetes, and osteoporosis. Epidemiologic research shows that human milk and the breastfeeding of infants provide advantages with regard to general health, growth, and development, while significantly decreasing risk for a large number of acute and chronic diseases.

The May 1998 Resolution passed by the California State Assembly cites the following social, economic, and environmental benefits of breastfeeding:

- Hundreds of millions of dollars continue to be spent by the United States government to purchase artificial milk for babies. One study indicated that the national Women, Infants, and Children (WIC) nutrition program could save \$93 million a month in lower food package costs alone if all mothers breast fed their infants. According to a report released in the fall of 1996, compared to formula-fed babies, each breast-fed baby saved \$478 in WIC and other health care costs for the first six months of life. The International Journal of Gynecology and Obstetrics reported in 1994 that, in the United States, two to four billion dollars could be saved in annual health care costs if women breast fed their infants for as little as 12 weeks.
- Employers, employees, and society benefit by supporting a mother's decision to breast feed and by helping reduce the obstacles of continuing to do so after returning to work. A study found that infants who were breast fed for a minimum of six months experienced \$1,435 less in health care claims than formula-fed infants, and a study from the University of California at Los Angeles School of Nursing found that breast-fed babies have 35 percent fewer illnesses than formula-fed babies, and their nursing moms have a corresponding 27 percent lower absence rate.
- Employers clearly benefit by having lower health care costs, less employee absenteeism, and better morale, and employees are also more likely to return to work earlier from maternity leave if they do not foresee complications with being able to continue to breast feed.
- The community benefits from breastfeeding by a healthier population, with fewer medical interventions for acute childhood illnesses and the associated financial and quality-of-life costs associated with obesity, diabetes, and other chronic diseases. Monterey County and the earth benefit from breastfeeding because of the significant environmental costs associated with the manufacture, distribution and disposal of infant formula.

## B.19 TELECOMMUTING

### B.19.1 APPLICABILITY:

This telecommuting policy shall apply to Units X and Y employees only.

### B 19.2 POLICY:

Monterey County views telecommuting as a practical work option for eligible, selected employees and of benefit to both the employee and the County as an employer. It is important for the parties to remember that the County's Telecommuting Program is intended to be a cooperative arrangement, minimizing environmental impacts as well as creating economic and other efficiencies and benefits for telecommuting employees and the County. These benefits include reduction in employee commutes, traffic congestion, fuel consumption and greenhouse gas emissions, along with improved productivity and employee morale. All of the above serve as useful recruitment and retention tools.

Telecommuting is not an entitlement or a right. Telecommuting does not change the basic terms and conditions of employment.

1. PURPOSE:

Telecommuting allows approved personnel to work for a specified period of time at a site other than the primary work location, during regular working hours.

2 DEFINITIONS:

- 2.1 Telecommuting: a replacement for commuting that maintains the employee's ability to participate in the work process by all means and mediums from a remote location approved by the County. Typically the telecommuting work location will be the employee's residence or a satellite office.
- 2.2 Telecommuter: an employee who meets the eligibility requirements of this policy and has appropriate approval and resources to work effectively from home or other approved location on a pre-approved, pre-scheduled basis.
- 2.3 Telecommuting Agreement: the formal documentation of an employee's authorization to telecommute. A Telecommuting Agreement must always be completed before telecommuting commences. If the Agreement has an end date, telecommuting may not occur after that date unless a new agreement is completed and signed by both the telecommuter and Department Head. It is critical that both the telecommuter and the Department Head assure that an agreement is always in force covering the actual days and times telecommuting is occurring.

If for any reason, telecommuting is terminated, it may be resumed with the completion of a new agreement and exhibits (assuming Department Head approval).

2.4 Telecommuting Schedules:

2.4.1 Occasional: to complete a special project;

2.4.2 Recurring: approved, specified, part time telecommuting schedule.

2.5 Satellite Office: A County designated work site which differs from the telecommuter's normal work location.

2.6 Regular Work Schedule, Days or Hours: the days or hours the employee is scheduled to work prior to the telecommuting agreement. No employee shall work more hours than his/her work week as a result of telecommuting. Telecommuting is not for the purpose of altering work hours or providing for a flexible schedule, however employees may combine telecommuting with a flexible or alternative work schedule.

3. ELIGIBILITY:

3.1 Position Requirements:

Positions suitable for telecommuting are typically characterized by duties that independent in nature as characterized by the following criteria:

- 3.1.1 Primarily “knowledge-based” and involved handling of information, including but not limited to reading, writing, analyzing or processing data;
- 3.1.2 Entails project-oriented activities or work with measurable milestones or deliverables;
- 3.1.3 Allows for work to be performed at a telecommuting location;
- 3.1.4 Will not, as a result of telecommuting, compromise any of the functions of the work unit, other departmental units, other departments or outside agencies;
- 3.1.5 The job requirements can be satisfied by minimal face to face communication requirements (communication can be handled over the telephone, voice mail or electronic mail);
- 3.1.6 The employee’s duties do not involve the use of special equipment, either for work production or as a reasonable accommodation already approved;
- 3.1.7 The employee’s duties do not require the employee to access County databases or programs if the employee’s department cannot provide access due to lack of funds or resource or if County IT personnel determine that access is unavailable or inappropriate;
- 3.1.8 Participation in the program does not require the County to purchase or install equipment or incur additional costs for implementation.

#### 4. TELECOMMUTER REQUIREMENTS:

##### 4.1 Suitability for Telecommuting:

Requirements for eligibility to participate in the Telecommuting Program are provided as follows:

- 4.1.1 Will have demonstrated ability to perform work efficiently and independently;
- 4.1.2 Will be at the journey level or higher in terms of job knowledge, skills, and abilities;
- 4.1.3 Will not be in a probationary status;
- 4.1.4 Will have a current performance evaluation that is “Meets Standards: or above;
- 4.1.5 Will have demonstrated that he/she is self-motivated, self-disciplined, and self-directed and is skilled in planning, organizing, managing time and work projects;

4.1.6 Will have demonstrated the ability to meet deadlines as well as to comply with job related standards and objectives and County/Department policies.

4.3 Performance Measurement Requirements:

Performance evaluations of telecommuters shall include:

- 4.3.1 Clear and measurable performance objectives and/or work product to be accomplished during the specific review cycle;
- 4.3.2 Complete, written Performance Reviews at intervals of not less than twelve months.

5. POSITIONS CONSIDERED UNSUITABLE FOR TELECOMMUTING:

Not every County employee or position may be eligible or suitable to telecommute. Employees holding jobs that are primarily location-dependent or that require access to resources that are not allowable or practical at a telecommuting location will not be considered.

Examples of job responsibilities unsuitable for telecommuting include, but are not limited to:

- 5.1 Face to face interaction with subordinates, supervisors, clients, coworkers or the public (i.e. Lead worker, Supervisor) is required;
- 5.2 Coordination and participation in team-based, quick-reaction, and/or turnaround tasks requiring the employee's presence is frequent;
- 5.3 Access to highly secure or protected information/resources which must be maintained only at a traditional work site is required;
- 5.4 Access to special office resources, such as main frame computers, copy equipment, large machines, special files, secure or protected facilities, etc. is needed;
- 5.5 Access to the County's computer databases and/or applications that cannot be provided on a remote basis is necessary;
- 5.6 On-demand presence or attendance at the principal work location to address unscheduled events is required;

- 5.7 Immediate availability to answer direct incoming telephone calls, (i.e. Dispatchers);
  - 5.8 Field work should be scheduled in order to promote travel efficiency while complying with department policies to the extent feasible;
  - 5.9 Onsite coverage responsibilities for cyclical or rotating tasks;
  - 5.10 Use of a County vehicle.
6. PROGRAM PARTICIPATION:

Interested employees must complete and submit a Telecommuting Agreement form. This form collects information about the employee, the nature of his/her workload and any required supplies, equipment and/or software that would be needed to successfully fulfill the employment obligations. Each department is required to screen the applicants for eligibility and select participants, if any, based upon the criteria set forth in sections 3, 4, and 5.

Participation in the telecommuting program must be approved by the employee's Department Head and/or designee. A written telecommuting agreement must be signed for each telecommuter and shall be renewed at least annually.

Each department has the responsibility and discretion to determine the benefits of a telecommuting program for its employees and its deliverables. The department may decline to participate or may, at any time, discontinue the entire program or a specific telecommuting agreement for any reason and without cause or explanation.

6.1 Telecommuting Agreement:

Telecommuting agreements shall initially be made on a trial basis for a period not to exceed 3 months. Each telecommuting agreement shall, at a minimum, cover:

- 6.1.1 Scope of work and deliverables;
- 6.1.2 Maximum number of telecommuting days or hours and work schedule;
- 6.1.3 Timely response by the telecommuter to emails and phone messages left at the worksite, as well as to supervisors and co-worker communications;
- 6.1.4 Measurable criteria to be used to evaluate the telecommuter and the effectiveness of the telecommuting agreement;
- 6.1.5 Frequency of communication between the supervisor and the telecommuter;
- 6.1.6 Safeguarding the confidentiality of work;
- 6.1.7 Approval/disapproval of long distance and local call and/or cell phone costs, and/or the cost of internet connections;

- 6.1.8 Attendance at staff meetings and trainings;
- 6.1.9 Use of personal items for County business;
- 6.1.10 Proper and timely completion of time sheets including identification of the number of miles of travel avoided on the days that the employee telecommutes.

6.2 Timekeeping/Reporting:

All County Personnel Policies and Practices regarding attendance and hours worked shall apply to telecommuters. The telecommuter and his/her supervisor shall agree upon a schedule of regular work hours, to be approved by the Department Head or his/her designee. Unless a different work schedule is designated, telecommuter's work hours are to be 8:00 am to 5:00 pm., Monday through Friday, with a lunch period that is considered off-duty time. Any changes of work hours or work location shall be reviewed and approved by the supervisor and Department Head or his/her designee.

Telecommuters are generally expected to spend the entire telecommuting day at the same remote work location. Only travel specifically authorized by the telecommuter's supervisor and Department Head will be considered business travel. Establishing a remote work location does not make the telecommuter's regular commute to his/her primary work location a business trip or subject to compensation.

Employees who telecommute may be required to work beyond the customary work week to ensure successful completion of job responsibilities. Existing policies and laws are applicable to these situations.

6.3 Liability:

The telecommuter's on-going legal responsibilities and defenses for any accidents or injuries occurring on the telecommuter's premises are unchanged by the terms of the Telecommuting Agreement. Telecommuting status does not, by itself, authorize the use of a County vehicle.

6.4 Information Security:

The information provided by the County for telecommuter use, generated in the course of telecommuting, and/or used by the telecommuter for approved County purposes is owned by and an asset of the County and must be protected from unauthorized, incorrect or accidental access, use, modification, destruction or disclosure.

The County maintains unrestricted rights of access to all data and software on any County equipment or personal equipment used for County business or media. Information generated or placed into

personal computers used for County business, as well as work undertaken on behalf of the County on or outside of any County worksite and/or work hours, shall be made available for review at the request of appropriate County officials. For any applicable service, compliance audits or forensics, this equipment shall be delivered to the County facilities, as directed. Such access and disclosure shall be in accordance with, and subject to, any controls or restrictions imposed by applicable statutes or licenses.

The Monterey County Computer Information Use and Security Policy shall apply to telecommuters. The telecommuting employee is responsible for ensuring compliance with this policy at his/her home work site.

All employees are required to comply with County of Monterey Security Policies whenever connecting to the County's network or working with County information, including:

- 6.4.1 Employees must be aware of the types and classifications of data they are working with and the legal, regulatory and policy requirements regarding the handling of such data.
- 6.4.2 "Restricted", "sensitive" or "confidential" County information, including "Personally-Identifiable Information" should not be stored at employee's home or on their home computers.
- 6.4.3 Employees who must keep "restricted", "sensitive" or "confidential" County information on their home computers, disks, tapes, USB keys or other media must encrypt the data so that the data is unavailable if the device is lost or stolen. "Restricted", "sensitive" or "confidential" data must be shredded (physically or electronically) when computers, disks, tapes, USB keys or other media are retired.
- 6.4.4 Employees who must keep "restricted", "sensitive" or "confidential" County information at their homes in order to do their work must utilize lockable furniture for the proper storage of this information. Access to work areas containing "restricted", "sensitive" or "confidential" information must be physically restricted. All information storage media (such as hard disk drives, floppy disks, magnetic tapes, CD-ROMs, USB drives, etc.) containing "restricted", "sensitive" or "confidential" County information must be physically secured when not in use. Employees' computers must restrict access to authorized users only.
- 6.4.5 "Restricted", "sensitive" or "confidential" data must be encrypted when transmitted over public data networks such as the Internet.

- 6.4.6 Computer operating system and application software security patches must be installed and the telecommuter's computer must be fully patched before connecting to the County. Up-to-date antivirus software must be installed on all telecommuter's computers;
- 6.4.7 No bridging of the County network to another network is allowed at any time. Bridging is defined as the simple act of using a PC/laptop/device to create a connection between a foreign network and the local County network. County network resources are only available to the connecting device via the authorized connection provided and are never to be shared with other devices and networks.
- 6.4.8 Telecommuters must never connect to the County while using an unprotected or unauthorized wireless network.

6.5 Safety and On-Site Inspections:

The telecommuter has the responsibility to maintain his/her home work space in a safe condition, free from hazards or other dangers. The telecommuter must designate a specific work area of his or her home that is suitable for performing official business, maintained in a safe condition and free from hazards. The telecommuter must perform his or her work in that designated area when telecommuting. All equipment used during periods of telecommuting must be maintained in good working condition and be ergonomically suitable for the work. The telecommuter shall allow the County to inspect the home work space for the purpose of determining that it is safe and free from hazards. The County does not assume any liability for loss, damage, or wear of employee-owned equipment or furniture, or for injuries to persons other than the employee during telecommuting hours.

Both the employee and supervisor must participate in an orientation program regarding telecommuting safety policies and other program requirements.

6.6 Telecommuting, Flexible or Part-Time Schedules:

Telecommuting is not to be confused with alternative work schedules or flexible schedules. Although some telecommuters will have alternative work schedules or flexible schedules, not all who have such schedules will be telecommuters.

7. EQUIPMENT, SUPPLIES & DATA:

The equipment and supplies necessary to telecommute will be provided by the telecommuter at his/her own sole expense.

The County is not responsible for the cost of installation, service, or maintenance costs incurred by a telecommuter with respect to

telephone, or internet service, nor is the County liable for repair or damage that may be caused by operation of the equipment.

The information provided by the County for telecommuter use, generated in the course of telecommuting, and/or used by the telecommuter for approved County purposes is owned by and remains an asset of the County and must be protected from unauthorized, incorrect or accidental access, use, modification, destruction or disclosure.

8. TELECOMMUTING TAX & TRAVEL EXPENSE IMPLICATIONS:

An employee working pursuant to a telecommuting agreement is encouraged to consult with his/her tax advisor on possible tax implications. Any employee telecommuting is wholly responsible for all tax implications and reporting required by taxing authorities and will not be reimbursed by the County for any tax-related costs. Possible tax implications could be incurred by the use of any County funded equipment, supplies or reimbursed expenses where personal benefit is a possibility. In such cases, tax rules may require logs, records and reporting beyond the requirements of the County.

This is a voluntary program and the County does not in any way require that a home office be maintained by any employee.

The primary place of business for the purposes of the County Travel Policy will continue to be the employee's department office location where he/she otherwise would be assigned if he/she were not telecommuting.

9. TERMINATION OF TELECOMMUTING ASSIGNMENT:

Telecommuting is a privilege, not a right, and is at the sole discretion of the Department Head (or designee). Telecommuting Agreements may be discontinued at any time, whether for an interim period of time or permanently. Removal or denial of a telecommuting schedule will not be deemed punitive and is not a grievable matter.

**C. LAYOFF AND RECALL PROCEDURES FOR UNREPRESENTED EMPLOYEES**

*Section re-lettered from B.17 6/6/10; 10-074*

**C.1 APPLICABILITY**

These Layoff and Recall Procedures shall apply to all unrepresented employees, except for those identified in Section B.16. Departments and employees required to be covered by other layoff procedures, e.g., Local Agency Personnel Standards ("LAPS"), State Merit System, and Anti-recession Federal Regulations, shall be governed by those procedures.

## C.2 POLICY

Upon authorization by the Board of Supervisors, the County may layoff an unrepresented employee because of lack of work, lack of funds, material change in duties or organization, in the interest of economy, or for causes outside the County's direct control. Layoffs will be made within individual County departments and not from one County department to another. In the event a reduction in force in a department is determined by the Board of Supervisors to be necessary, the department head shall designate the classes, positions, and number of employees to be eliminated, subject to Board action to reduce budgeted position allocations and authorize layoff notices.

## C.3 DEFINITIONS

- a) "Bumping" occurs when an employee ranked in a previous class in the same department has greater seniority than one or more employees currently in that class, and the employee elects to demote to the class, thus "bumping" an incumbent. The bumped incumbent is then given a layoff notice and, if applicable, the option to be ranked in a previous class.
- b) "Class" is defined in Section V "Definitions."
- c) "Class series" is defined as a group of classes having common characteristics and/or promotional opportunities.
- d) "Continuous service" for purposes of ranking for layoff shall be defined as service in a class series within the County without separation from the effective date of employment, to include work related injury leave of up to one (1) year's duration.
- e) "Rank" or "rank in class" shall be defined as the relative seniority as defined herein between or among employees in a class for purposes of determining the order of layoffs.
- f) "Seniority" is defined as the length of continuous service in a class series, as determined by County personnel records, while occupying a permanent position within the County.

## C.4 ORDER OF LAYOFFS

Except as provided in Section C.6, layoff shall be by rank in class based on seniority within the class series. The order of layoffs within a County department within the designated class shall be:

- a) All temporary employees in the class series;
- b) Probationary new employees (*excluding* promotional probationary employees)
- c) Permanent employees (including promotional probationary employees).

No permanent employee within a department shall be laid off in any class if there are temporary employees in an active status in the same class within that department.

## C.5 ORDER OF LAYOFF, EXCEPTION TO RANKING SEQUENCE

C.5.1 Layoffs of permanent employees within each category of employment status within a class within a department shall be based on rank in class unless it can be demonstrated that:

- a) an employee possesses special skills, training, or abilities consistent with administrative guidelines developed pursuant to these procedures;  
or
- b) the employee's job performance record justifies an alternative ranking;  
or
- c) the employee may, by virtue of rank in class, be subject to disparate treatment under the laws of employment discrimination.

C.5.2 The bilingual pay status of an employee pursuant to Section A.9.5 may be considered a job skill that can be used to differentiate individual employees as to their respective abilities and qualifications only if bilingual ability is required or is listed as a Desirable Qualification in the County's official class specification and is an essential job duty of the employee's position.

## C.6 RANKING IN PREVIOUS CLASS

A permanent employee may elect to be ranked by seniority with employees in any class in the same department with the same or lower salary in which the employee has served in permanent status (i.e., passed the probationary period in that class) in an existing position the County service. An employee must notify his/her appointing authority within five (5) working days after receipt of written notice of layoff of the election to exercise this option. An employee who is bumped as the result of such ranking shall be laid off in the same manner as an employee whose position is eliminated by action of the Board of Supervisors, and may exercise his/her seniority in accordance with these rules and procedures. An employee shall not have the right to bump from one County department to another.

## C.7 DEMOTION IN LIEU OF LAYOFF

In lieu of layoff, the department head may offer a permanent employee a demotion to any class within the department with the same or lower salary, for which the employee is qualified. Employees demoted in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure. An employee who accepts a demotion in lieu of layoff shall be placed on the department's Recall List and shall have the right of restoration to his/her former class when an opening occurs and his/ her ranking sequence warrants restoration, subject to the provisions of Section C.10 "Reemployment of Employees Laid Off."

## C.8 VOLUNTARY TRANSFER IN LIEU OF LAYOFF

C.8.1 Pursuant to Section B.11, and prior to and in lieu of layoff, the department head may offer a permanent employee a transfer to any class within another

County department with the same or lower salary, for which the employee is qualified, subject to the following conditions:

- a) Such transfer must be voluntary on the part of the employee; and
- b) A vacancy in the position must exist; and
- c) The department head in the department to which the employee will be transferred must first agree to the transfer.

C.8.2 Employees transferred in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure.

C.8.3 Notice of layoff shall be given. The length of eligibility for a voluntary transfer shall be the period of layoff notification specified in Section C.10, and may be withdrawn by the department upon notice to the employee.

C.8.4 An employee who accepts a transfer in lieu of layoff shall serve a new probationary period pursuant to Section B.6 of this Resolution.

C.8.5 An employee who accepts a transfer in lieu of layoff shall be placed on the department's Recall List and shall have the right of restoration to his/her former class when an opening occurs and his/ her ranking sequence warrants restoration, subject to the provisions of Section C.10 "Reemployment of Employees Laid Off."

## C.9 NOTICE

Written notice of layoff shall be served on the affected employees in person, or mailed by the United States Postal service to the employee's latest address on file with the County. The layoff notice shall be served or mailed at least twenty-one (21) calendar days prior to the effective date of the layoff. The notice shall include:

- a) The reason for the layoff;
- b) The effective date of the action;
- c) A reference to the provisions governing reemployment;
- d) Notice that employment counseling is available;
- e) Notice that any decision to bump must be made within five (5) working days;
- and
- f) Notice that the employee has five (5) days within which to appeal the layoff.

## C.10 REEMPLOYMENT OF EMPLOYEES LAID OFF

The names of persons laid off, demoted or transferred in lieu of layoff under these procedures shall be maintained on a departmental Recall List for the class from which the employee was laid off for a period of one (1) year from the date of layoff. When using a departmental Recall List to fill a position in a class from which layoffs have occurred within the one (1) year recall period, the department head shall reemploy laid off, demoted or transferred employees from the appropriate departmental recall list in rank order. During the one (1) year recall period, no new employee shall be

hired nor shall any employee be promoted to a class from which layoffs, demotions or transfers have occurred until all employees on such status in that class have had the opportunity to return to previous positions.

- C.10.1 The department head may make an exception to the above order of recall to appoint an employee out of ranking sequence when it is in the best interest of the County for an employee with demonstrated special qualifications, skills or training, or for Equal Opportunity considerations, to be placed in an alternative ranking.
- C.10.2 During the layoff notification period, every employee given notice of layoff may request employment counseling and evaluation during the layoff notification period, in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a County-wide Preferred Eligible List. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, the laid off employee's name shall be placed on a Preferred Eligible List for each class designated as the result of the counseling and evaluation. When the Human Resources Division receives a request to refer applicants to a department for a vacant position in a class for which there exists a Preferred Eligible List, laid off employees on the List shall be considered for employment prior to any other job applicant(s). A competitive job-related selection process may be used to determine the order in which laid off employees on a Preferred Eligible List for a class will be referred for an interview.
- C.10.3 A laid off employee shall be removed from the department Recall List or a Preferred Eligible List for any of the following reasons:
- a) The expiration of one (1) year from the date of layoff;
  - b) Re-employment within the County;
  - c) Failure to accept employment or report to work;
  - d) Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file with the County;
  - e) Failure to respond within seven (7) days to a communication regarding availability of employment; or
  - f) Request in writing by the laid off employee to be removed from the list.

#### C.11 STATUS OF EMPLOYEES RE-EMPLOYED FROM A PREFERRED ELIGIBLE LIST

A laid off individual who is re-employed from a Preferred Eligible List shall serve a new probationary period unless he/she has previously completed a probationary period in the job class, and shall otherwise be treated as a new employee with the following exceptions:

C.11.1 Former employees who are hired from a County-wide Preferred Eligible List shall be entitled to:

- a) Placement at up to the highest step in the class into which they are hired, provided that the salary upon rehire does not exceed the salary the employee was receiving at the time of layoff;
- b) Reinstatement of credit for service time (seniority) up until the date of separation from County service;
- c) Credit for all prior service for the purpose of determining vacation, annual leave and sick leave accrual rates; and
- d) Restoration of any sick leave balance credited to the employee's account on the date of layoff.

## C.12 RESTORATION OF BENEFITS FOR RECALLED EMPLOYEES

Any employee who has been laid off and is hired from a departmental Recall List under the terms of this article within one (1) year from the date of layoff shall be entitled to:

- a) Restoration of permanent status for employees who are rehired from a departmental Recall List into the class from which they were laid off, and who have completed their probationary period. For an employee who has not completed his/her probationary period, credit for that portion which the employee has completed shall be given if the employee is rehired from a departmental Recall List.
- b) Restoration of all sick leave that was credited to the employee's account on the date he/she was laid off.
- c) Credit for all prior service for the purpose of determining vacation and annual leave accrual rates.
- d) Placement in the same step of the salary range that the employee held at the time of his/her layoff.
- e) Reinstatement of credit for service time (ranking) as of the date of layoff.

## C.13 INSURANCE COVERAGE

Each permanent employee who is enrolled in the County Health Plan at the time of layoff may, prior to the effective date of the layoff, elect to enroll in a health insurance conversion plan offered by the County's then current health plan administrative carrier. In the event the laid off employee so elects, the County will pay a one-time amount equal to two (2) times the employee only monthly premium at the time of layoff toward the cost of the health insurance conversion plan. The above insurance provision does not apply to employees who retire coincidental to their layoff.

#### C.14 APPEAL PROCEDURE

An employee who receives a layoff notice may, within five (5) working days thereafter, request a meeting with the department head or the department head's designated representative to review the application of this policy as it affects the employee's status. The employee may be accompanied by a representative.

#### C.15 USE OF ALTERNATIVES TO LAYOFF

Nothing contained in these procedures shall be construed to prevent individual departments from using alternative procedures to layoff, such as, e.g., furloughs, job sharing or part-time work plans. Furloughs shall require approval of the Board of Supervisors. Individual job sharing and part-time work plans shall require the agreement of the department head and the employee(s) involved.

### D. DISCIPLINARY ACTIONS

*Section re-lettered from C 6/6/10; 10-074*

#### D.1 Disciplinary Action

The appointing authority may take disciplinary action against any employee in the service of Monterey County provided that the rules and regulations prescribed herein are followed, except that adverse action against an employee who serves at the pleasure of the appointing authority, pursuant to Section B.16 of this document shall be accomplished by a single written notice which sets forth the adverse action and provides the opportunity for the employee to discuss that action with his/her appointing authority prior to its effective date. As used in this section, "disciplinary or adverse action" shall mean dismissal, suspension, disciplinary demotion, reduction in salary, disciplinary probation, or formal written reprimand.

#### D.2 Notice of Disciplinary Action

In order to institute disciplinary action, the appointing authority, or his/her designee, shall serve written notice of the proposed disciplinary action in accordance with the following procedures.

Except when emergency or other special circumstances require immediate action, a notice of proposed disciplinary action (other than for formal reprimand) shall be delivered to the employee, either personally or by United States Postal Service, to the current address listed on the employee's most recent Personnel Action form, no less than five (5) calendar days prior to the effective date of any disciplinary action against the employee. The five (5) day prior notice requirement shall not apply to the following disciplinary actions, but may be given within a reasonable time after the commencement of such discipline.

##### D.2.1 Suspension without pay of five (5) days or less;

D.2.2 Suspension with pay of twenty (20) days or less;

D.2.3 Written reprimands;

D.2.4 Emergency or other special situations.

The notice(s) of disciplinary action shall together include the following:

- a) The nature of the disciplinary action;
- b) The effective date of the action;
- c) The causes for the action in ordinary, concise language with the dates and places thereof, when known;
- d) A statement that the material upon which the action is based is available for inspection; and
- e) A statement advising the employee of his/her right to respond, either verbally or in writing, to the appointing authority or his/her designee imposing the disciplinary action prior to the effective date, and the right to be represented in that response.

In order to implement the proposed disciplinary action or a lesser disciplinary action based on the same cause(s), a notice of disciplinary action shall be delivered to the employee on or as soon after the effective date of the disciplinary action as possible. This notice of disciplinary action shall contain the information specified in items a), b), and c) above and, in addition, shall include a statement of the employee's right of appeal, if any, and representation by a party of his/her choice. The notice also shall include a referral to the section of this Resolution titled, "Appeals from Disciplinary Action."

### D.3 Reprimand

An appointing authority may reprimand an employee by furnishing him/her with a written statement of the specific reasons for such reprimand. A copy of the reprimand shall be placed in the employee's personnel file, and shall not be subject to appeal, but the employee shall have the right of rebuttal. The rebuttal, if it is in writing, shall be attached to the reprimand and placed in the employee's personnel file. The appointing authority may correct the reprimand at his/her discretion.

### D.4 Disciplinary Probation

An employee may be placed on disciplinary probation for a specified period of time not to exceed twelve (12) consecutive months for each such instance, with the understanding that, should the causes for such action not be satisfactorily corrected or remedied during the period, subsequent disciplinary action may be taken. An employee on disciplinary probation shall serve at the pleasure of his/her appointing authority during such period of probation.

### D.5 Suspension without Pay

Any suspension invoked as a disciplinary action under this section against an employee, whether for one (1) or more periods, shall not exceed ninety (90) calendar

days in any one (1) calendar year; provided, however, that where a suspension is made because of criminal information or indictment filed against such employee, the period of suspension may exceed ninety (90) calendar days and continue until, but not after, the expiration of thirty (30) calendar days after the dropping of charges, or the judgment or conviction or acquittal of the offense charged in the complaint, or indictment has become final. Employees suspended shall forfeit all rights, privileges, and salary while on such suspension.

#### D.6 Suspension with Pay

Notwithstanding other provisions of this section, an employee may be suspended with pay and benefits for a period not to exceed twenty (20) working days upon a determination by the Administrative Officer that circumstances exist that make the immediate removal of the employee to be in the best interests of the County and that the employee cannot be effectively used in his/her job classification within the department.

#### D.7 Suspension Pending Investigation for Disciplinary Action

An appointing authority may suspend an employee under his/her control from his/her position at any time for reasons of investigation for disciplinary action. Such suspension may be either with or without pay subject to the limits set forth in Section D.5 and D.6 of this Article.

Written notice of such suspension shall be given the suspended employee as soon as possible, but not later than seventy-two (72) hours after such action is taken. Such suspension is not a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action. The appointing authority may reinstate any such suspended employee to his/her position for a good cause and shall, upon reinstatement, restore his/her rights, benefits and privileges with back pay for time lost providing the appointing authority is satisfied that no disciplinary action is appropriate.

#### D.8 Reduction in Salary

An appointing authority may reduce the salary of an employee for disciplinary reasons, provided that such reduction shall be to a step within the salary range of the classification of the position held by the employee. An employee so reduced in salary shall retain his/her anniversary date, but shall not be eligible for advancement to a higher step in the salary range of his/her job classification for a period of six (6) months from the date the reduction in salary became effective.

#### D.9 Disciplinary Demotion

An appointing authority may demote an employee, for disciplinary reasons, to any position with a lower salary, provided the employee meets the qualifications for the lower-level position. Such demoted employee shall not be eligible for promotion for a period of six (6) calendar months after the effective date of the demotion.

#### D.10 Dismissal

The continued tenure of each employee shall be subject to his/her satisfactory conduct and the rendering of efficient service. Should the cause of disciplinary action so warrant, an employee may be dismissed for either reason.

#### D.11 Absence without Leave Separation

An employee absent from duty for a period which exceeds three (3) working days [either consecutively or cumulatively in a sixty (60) day period] without authorized leave shall be considered to have abandoned his/her position and to have automatically resigned. Resignation shall be deemed effective upon the posting by United States Mail of Notice of Automatic Resignation, sent by the appointing authority or his designee to the last known address of the employee, as shown on his/her latest Personnel Action form.

Such resignation may be rescinded by the appointing authority if the employee can show, to the satisfaction of the appointing authority, that it was impossible to contact his/her department of employment, provided the employee contacts the department within five (5) working days after notice of the automatic resignation sent by United States mail.

#### D.12 Statute of Limitations

No disciplinary action shall be valid against any County employee for any cause unless the notice of disciplinary action is served within one (1) year, except in matters of a serious nature which must be served within three (3) years, after the event which gave rise to cause of discipline, upon which said notice is based, first arose. In addition, disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within three (3) years after the discovery of such fraud, embezzlement or falsification.

Nothing herein shall preclude the County from disciplining an employee for cause which consists of a course of conduct or history of performance that began more than three (3) years prior to the notice of disciplinary action. Such disciplinary and/or performance record of beyond three (3) years shall be used only to determine the disciplinary penalty to be imposed.

#### D.13 Appeals from Disciplinary Action

- a) The disciplinary actions of written reprimand and suspension without pay for a period of three (3) days or less shall not be subject to any disciplinary appeal except as provided in "b" below.
- b) Employees in Representation Unit D (Public Defenders) and Unit E (District Attorneys) shall have the right of appeal from suspensions without pay of three (3) days or less.

- c) Seasonal employees with less than one (1) year of service in their current class, or temporary, or probationary employees shall not have the right of appeal from disciplinary action.
- d) Employees (other than temporary employees, or probationary employees, or employees who serve at the pleasure of their appointing authority) occupying a permanent position may file a written appeal from disciplinary actions other than those set forth in a) above. Said appeal must be filed in writing within a period of ten (10) calendar days after notification of the decision to take disciplinary action. However, those employees who are covered by a memorandum of understanding which sets forth an appeal procedure shall have those rights of appeal from disciplinary action and shall follow those appeal procedures which are set forth in the applicable memorandum of understanding, and may not avail themselves of the appeal procedure set forth herein.
- e) Said written appeal shall be filed with the Clerk to the Board of Supervisors and state the basis of the appeal and shall contain a specific admission or denial of the material allegations contained in the notice of disciplinary action.
- f) Within thirty (30) days after the filing of the appeal with the said Clerk, the Board of Supervisors shall appoint a hearing officer. The hearing officer shall commence a hearing on the appeal as soon as possible. The appellant and the appointing authority may appear personally and may be represented by counsel at the hearing. The hearing shall be public unless the appellant requests a private hearing.
- g) Before the hearing has commenced and during the course of the hearing, the hearing officer shall issue subpoenas duces tecum at the request of either party. Oral evidence shall be taken only on oath or affirmation. The appellant and the appointing authority shall each have the right to call and examine witnesses, to cross-examine opposing witnesses on any matter relevant to the issues, to impeach any witness and to rebut the evidence against him/her. Technical rules relating to evidence and witnesses do not have to apply to such hearings. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. At the hearing, the burden of proof shall be upon the County.
- h) At the conclusion of the hearing, the hearing officer shall prepare a summary record of the proceedings and prepare recommended findings, conclusions and decision. The hearing officer shall submit a copy of said record of findings, conclusions and decision to the Board of Supervisors.
- i) Within thirty (30) days after the filing of the record and recommended findings, conclusions and decision of the hearing officer with the Board of Supervisors, the Board shall adopt such recommended findings, conclusions and decision, or shall reject the recommendations of the hearing officer and adopt its own findings, conclusions and decision after a review of the record. The Board shall affirm, modify or reverse the order of the appointing authority causing the disciplinary action.

- j) The decision of the Board shall be final. In the event that the Board shall modify or reverse the order of the appointing authority imposing disciplinary action, the Board shall, at the request of an appointing authority who is required to file an individual official bond, require the employee to file an individual bond, said bond to be executed by said employee as principal, in an amount equal to the official bond filed by the appointing authority, said bond to inure to the benefit of the appointing authority. The premium cost of said bond shall be charged against the County.

## **E. GRIEVANCE PROCEDURE**

*Section re-lettered from D 6/6/10; 10-074*

### **E.1 Purpose**

The purpose of the grievance procedure is to promote improved employer-employee relations by establishing a procedure for the prompt settlement of certain disputes, hereinafter defined as grievances. The County and a recognized employee organization may, however, by written agreement, establish a different grievance procedure for the employees represented by that organization than that set forth below, in which event grievances filed by those employees shall be processed under the provisions of the grievance procedure established by written agreement.

### **E.2 Definition**

A grievance shall be defined as a claim by an employee or group of employees of a violation, misinterpretation and misapplication, or improper application of written department-wide policy or written County-wide rules, regulations, resolutions, ordinances or a memorandum of understanding applicable to the employee, except as follows:

- E.2.1 Appeals of the disciplinary actions of demotion, suspension or dismissal shall be filed and processed pursuant to Monterey County Personnel Policies and Practices Resolution.
- E.2.2 Complaints relating to affirmative action, occupational health and safety, or Workers' Compensation shall be processed pursuant to appropriate County complaint procedures in these areas.
- E.2.3 Notwithstanding the foregoing, the grievance procedure is not applicable and shall not be used with the following:
- a) The exercising of any of the management rights enumerated in the County's employer-employee relations policy;
  - b) Any matter which is in the scope of representation in the meet and confer process;
  - c) Any matter for which a statutory appeal procedure exists.

### E.3 Basic Rules

#### E.3.1 Non-Discrimination

Any employee may file a grievance or may authorize by signature the filing of a grievance on their behalf without fear of restraint, interference, coercion, discrimination or reprisal.

#### E.3.2 Grievance Forms

- a) Grievance forms shall be made available to the employee through the Human Resources Division, other County departments and recognized employee organizations, and all formal grievances shall be submitted on these forms.
- b) Grievance forms must explicitly specify the policy or the particular section of the agreement, rules, resolution or ordinance, the violation of which is being alleged as the basis for the grievance. The remedy requested must also be specified.

#### E.3.3 Modifications

No modifications in the basic violation being alleged pursuant to Section E.3.2.b) shall be made subsequent to filing unless mutually agreed to by both the County and the grievant or their representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or the grievant's representative.

#### E.3.4 Notice of Meetings

Both the County and the grievant or their representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.

#### E.3.5 Right of Representation

- a) An employee has the right to representation of his/her choice at any step of the formal grievance procedure (Steps 2 through 4); provided, however, that supervisory employees shall not represent non-supervisory employees as such activity would result in a conflict of interest.
- b) An employee is also entitled to individual representation at any step of the grievance procedure.
- c) A grievant may not change his/her designated representative, other than designating themselves, during the processing of a grievance, except by mutual agreement of the grievant and the County.
- d) If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.

E.3.6 Grievance Withdrawal

The grievant may withdraw the grievance at any stage of the grievance procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Human Resources Division.

E.3.7 Grievance Resolution

If a grievance is resolved at Step 2, 3 or 4 in the procedure, the grievant concerned shall indicate acceptance of the resolution by affixing their signature in the appropriate space indicated.

E.3.8 Reconsideration at a Prior Level

By mutual agreement, the parties may revert the grievance to a prior level of reconsideration. If the grievance is not then settled at the prior level, the grievant shall continue to have the rights set forth in this procedure.

E.3.9 Consolidation of Grievances

Employees with essentially identical grievances, including remedy, may initiate a single grievance. Employees with essentially identical grievances may be required, at the County's discretion, to consolidate to a single proceeding at Steps 3 and 4 of this grievance procedure.

E.4 Processing Grievances

E.4.1 The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

a) Representatives

1) Insofar as possible, when a grievant's representative at Steps 2, 3 and 4 is a County employee, the representative shall be employed in the same work location as the grievant. When the foregoing condition cannot be met, a grievant's representative who is a County employee may be employed outside the same work location, provided said representative is no longer than ten (10) minutes away, by the most practical and common mode of transportation, from the grievant's work location. This time limit may be waived by mutual agreement of the parties when the grievant is assigned to a remote work location, or under other unusual circumstances.

2) In no case shall County vehicles be used for transportation by employee representatives in connection with the processing of grievances, nor will reimbursement be considered for the use of private vehicles.

b) Grievance Preparation

1) Neither a grievant nor a grievant's representative who is a County employee shall leave their job to perform any grievance preparation work unless they receive prior permission from their supervisor. Such

time off shall be granted within two (2) working days except in emergencies.

- 2) When a grievant or any representative must go into a section, department or work unit to investigate a grievance, they shall be permitted to do so, provided they explain the purpose of the visit and who they are visiting to the supervisor of said section department or work unit. If immediate access cannot be granted upon request, it shall be granted within two (2) working days.
- c) Grievance Meetings
  - 1) A grievant or a grievant's representative who is a County employee shall, upon notification of their respective supervisor(s), be granted time off to attend grievance meetings scheduled pursuant to Section D.4 a) 1) of this procedure.
  - 2) A grievant or a grievant's representative who is a County employee shall notify their supervisor as soon as possible in advance of the dates and times and/or any change in the dates and times of scheduled grievance meetings in which they must participate.
  - d) A grievant or a grievant's representative, when said representative is a County employee shall not log compensatory time earned or premium pay time for any time spent in the processing of a grievance.

#### E.4.2 Time Limitations

- a) The time limitations are designed to quickly settle a grievance. Time limitations may be extended by agreement of the parties.
- b) If at any stage of the grievance procedure the employee is dissatisfied with the decision rendered it shall be the grievant's responsibility to submit the grievance to the next designated level of review within the time limits specified.
- c) Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the grievance shall be considered resolved.
- d) The grievant shall promptly proceed to the next step within the prescribed time limits if the appropriate management representative fails to respond within the time limits specified.

#### E.5 Grievance Procedure Steps

##### STEP 1 - Informal Discussion with Supervisor

- a) The grievance shall first be discussed on an informal basis by the aggrieved with his/her immediate supervisor within the twenty-one (21) calendar days from the date of the action causing the grievance. This initial step of the grievance procedure shall be without the right of representation.

- b) Every effort shall be made to resolve the grievance at this level, and may include conferences among supervisory and administrative personnel. The immediate supervisor shall verbally respond to the grievant within five (5) working days of the informal discussion between grievant and supervisor.

#### STEP 2 - Formal Written Grievance

- a) In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the supervisor within seven (7) working days after receipt of the immediate supervisor's verbal response. The grievant shall file one (1) copy with the Human Resources Division. If the grievance is not presented within the time limitations provided herein, it shall be deemed not to exist.
- b) Within five (5) working days of receipt of the grievance, the immediate supervisor shall schedule a meeting with the grievant to discuss the grievance. Within five (5) working days of the grievance meeting, the immediate supervisor shall deliver their written decision to the grievant. Any grievance settled at this step shall be subject to the review and confirmation of the respective department head before the settlement may become effective.
