Narrative: On Friday, March 8th at approximately 1:30 pm, our office was contacted by Captain Silas Fisher, Monterey Fire Department regarding a paint spill at the Candlelight Inn in Carmel-by-the-Sea. I spoke with Captain Fisher who indicated that approximately 6-8 ounces of paint was spilled by an employee on the property and that the area was sprayed with water before it dried. The flow proceeded through a drain on the parking lot asphalt to the storm drain on Dolores Avenue and 5th St. I contacted Dana Schemm, Controller, Inns by the Sea and advised that a spill report must be filed, and provided her the phone number to the state warning center. I then responded and was shown the spill area, observed the storm drain, and there was no sign of paint residue. I left a message for the Carmel Public Works Environmental Compliance Department with the details for their office to follow-up. I left the scene at approximately 3:45 pm.
