Enclosure

Please find below the Monterey County Board of Supervisors' ("Respondent") response to the 2023-24 Civil Grand Jury report entitled **Fentanyl: Our Youth in Crisis**.

Findings

F2. The BOS has not approved allocations of County Opioid Settlement funds, while the MCHD finalizes a Comprehensive Strategy and Plan to allocate these funds, putting lives at risk.

Response to F2: The Respondent partially disagrees with the finding. The Board of Supervisors has approved use of [opiod funds](#) for naloxone (Narcan) distribution and harm reduction strategies. In addition, a related agenda item is scheduled for June 25, 2024, which will result in an allocation of opiod funding for social media messaging and education materials to engage parents, youth, and young adults about fentanyl poisoning through the Health Department.

Recommendations

R2. The MCHD finalize its Comprehensive Strategy and Plan for allocating County Opioid Settlement funds for BOS approval by July 31, 2024.

Response to R2: The Respondent has not implemented this recommendation; but implementation through the Health Department is anticipated by July 31, 2024.

R3. The MCHD finalize agreements for services to begin equitable disbursements of County Opioid Settlement funds to partner agencies and school districts by October 31, 2024.

Response to R3: The recommendation has not been implemented but being planned through the Health Department, following coordination and collaboration with the Office of Education and school districts within the County of Monterey, by October 31, 2024.
