The Las Lomas Drive Bicycle Lane and Pedestrian Project

Dear Residents:

The County of Monterey is finalizing construction plans to implement the Las Lomas Drive Bicycle Lane and Pedestrian project (the project). The project will consist of widening and repaving Las Lomas Drive between Thomas Road and Haul Road, constructing new sidewalk, a Class 2 bicycle path, drainage improvements. The project's anticipated start date is October 2024; we anticipated it will take up to 100 working days to complete.

Though temporary inconveniences are inevitable, our goal is to improve our community infrastructure without creating any more disturbance than necessary. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project. Please contact Edgard Rizo (831) 755-5158 (or via e-mail at RizoE1@countyofmonterey.gov)

Though temporary impacts to your neighborhood are inevitable, our goal is to improve our community infrastructure without creating any more disturbance than necessary. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project. If you have special needs regarding access, or if you have any questions or concerns, please contact the following County representatives:

We will update you with another letter approximately two weeks prior to the start of construction. In addition to written communications like this, the County has a website where you can track the progress of this project. Simply go to [Current Major Projects | County of Monterey, CA.](#)

If you are aware of other residents who may not receive this notice, please share it with them or provide us with their address and I will notify them directly.

Sincerely,

J. Erich Rauber, PE, GE
Senior Civil Engineer
