~~Education and~~ Qualifications

I have lived in the North Monterey County community for over 12 years and have come to know it well. I am fully committed to helping and supporting our community and students in achieving their educational goals.

As a Hartnell Community College board member, I represent the interests of our growing community and am committed to doing what is right for education. I take my elected position seriously, attending all regular board meetings and understanding my fiduciary duties. Over the past four years, I have dedicated time and effort to educating myself on the issues facing Hartnell Community College, striving to advance our mission of delivering quality education to our students. Together, we can continue to make the Castroville Educational Center and Hartnell College a premier learning destination for all of North County. It will be an honor to continue serving the community as a Board member, and I appreciate your support.

Education:

Hartnell Community College – Early Childhood Education

UC Berkeley – Sociology

07/19/24
