

City of Greenfield
Candidate Statement of Qualifications

I, Belen Garcia, am running for Councilmember District 1. Our youth depend on the City of Greenfield adults to make the best decisions that will promote great opportunities for today and tomorrow. My parents were hard-working Farm Laborers who served many people of this community. They were the most loving and supportive parents who instilled in my brothers and sisters to take care of our jobs so we could take care of the children. Education was a priority. Education led to careers. Careers led to being able to take care of the family. Now, I am a retired teacher and principal after 34 years of service. I still want to serve. I am grateful for the progress made in my hometown since I was promoted in 1973 from Greenfield Elementary School. There are so many adults to thank for the past and current progress of our city. Let's keep our city moving forward.

Preserve the goodness. Promote the future.

Onward. Adelante.

Thank you for your vote.

Belen Garcia
Retired Educator

Running for Councilmember District 1, City of Greenfield
