

My name is Brian Perez and I am running for Monterey City Council, District 4. I learned public service and dedication as a United States Marine and as a police officer. I am now a police supervisor in a neighboring community with over 20-years of service. I have leadership, problem solving skills and a deep commitment to Monterey.

I fully support the Neighborhood Improvement Program; I am committed to preserving parks, recreation, and our Monterey Sports Center. I will not vote to privatize the Monterey Sports Center; it is Monterey's crown jewel.

I was raised in Orange County, earning my Bachelor's Degree from CSU, San Bernardino. After college, I was commissioned in the Marine Corps. I have multiple overseas combat deployments and I continue to serve the Marine Reserves. I hold the rank of Lieutenant Colonel, with 26-years of Marine Corps experience, while simultaneously working as a police supervisor.

As a collaborative leader, I'll bring a balanced approach to City Council, with fresh ideas to serve the community. My priority is for professional public safety across all districts, with a concentration for responsive services and quality of life for District 4.

I Appreciate Your Vote!

Brian
