I believe that the Monterey Regional Airport is an incredible asset for both the Peninsula and Monterey County as a whole, and I am running for Monterey Regional Airport Board in order to help to protect and enhance this asset.

I have lived on the Monterey Peninsula for more than 40 years, and have been deeply involved in my local community, several non-profit organizations and our local hospitality industry for that entire time.

In the City of Monterey, the current projects for which I volunteer are Measures P&S, through which we passed sale tax measures that support the repair of streets, storm drains and sidewalks.

I am also involved with See Monterey, assisting with their efforts to bring just the right groups and events to our area, those that will be positive for the destination and provide the best economic opportunities for our local businesses, workers and residents.

I feel passionately that the Monterey Regional Airport is a key component of our ability to improve our lives locally, and will work tirelessly on the Board to do so. Do not hesitate to reach out to me via: cchorbajian@montereyairport.com or (831) 915-7014.

On November 5, please vote for Carol Chorbajian.
