CITY CLERK

Cary Swensen

Occupation: ~~community~~ college educator/businesswoman

Age: 55

My candidacy for Salinas City Council District 3 is about improving the quality of life for all residents, listening to the needs of residents and workers, and providing service for everyone without favor and with fairness.

I am a small business owner and community college history instructor. I have a bachelors in education from Western Washington University. And, I have a master's degree in history from the University of Colorado, Boulder. I have owned Sylvan Learning of Salinas for 15 years. I am actively involved in various community organizations and initiatives. I have either served or am currently serving in the following clubs or organizations: Rotary, Meals on Wheels of the Salinas Valley, SeedsSTEM, Measure G oversight committee, and the Housing Advisory Committee. I am passionate about making positive changes in our city and ensuring that all residents have a voice in the decision-making process.

~~This seat is on the ballot because the former officeholder resigned. The only candidate who received votes at the last election for this term is me. My commitment to you has not changed. You can count on me to serve out the remaining term. Please vote for me.~~

If elected, I will work tirelessly to address the issues that matter most to you, such as fixing streets and sidewalks, affordable housing, and economic development.
