

I am Chilla Kartalov, running for City Council to preserve the family-atmosphere, property values, safety and character of our beloved Pacific Grove. Butterfly Town is special, a jewel, and I intend to protect it for every person who calls PG home, including my own kids. I bring to this mission decades of experience as a Business Manager, Fraud Expert and Program Manager. Equally important is my bone-deep commitment to PG as a mom, business owner, and Californian of 35 years.

I am eager to use my skills and financial expertise to make dealing with the City easier, to encourage citizen involvement, and to support local businesses so they can create jobs.

As a City Councilmember, I will challenge government-mandated housing to ensure it is in the best interests of our community. I will also work to reduce fire danger, so we don't put our home insurance at risk. In addition, I will work to create a Pacific Grove Emergency Operations Plan (EOP).

Let's restore our historic landmarks, like Chautauqua Hall. Let's also promote cultural events that bring us together and that generate revenue for our small businesses and for the City.
