David Gaboni

Occupation: Maintenance Custodian

2024 JUL 16 AM 9:08

Age: 53

I have been a Board Member at South Monterey County Joint Union High School for 9 years, the last 5 years I have served as Board President. Living in King City all my life and going through the school system, I can appreciate the diversity, history and needs of both King City and Greenfield High School. Every decision or vote I have made has been student focused. Every training, conference and board retreat, have been an opportunity to better myself with knowledge and skills to represent the district to the best of my ability.

I am a graduate of King City High School, Hartnell College and received my Bachelor of Arts degree from Chapman University. I currently serve as President of the Monterey County School Board Association, a member of the California School Board Association, Monterey County Education Coalition and have chaired the Monterey County Office of Education Committee for the Californian School Employees Association.

If re-elected to office, I will continue to represent our students, community and District with integrity and honesty. As a leader, I will do my best to serve as a role model for our children and community.
