

RECEIVED
CITY OF SALINAS

JUL 31 2024

CITY CLERK

Name: Gloria De La Rosa

Occupation: Retired Monterey County Licensed Vocational Nurse

I was born in Salinas and raised my family here. With more than 40 years of community involvement and as former Salinas Councilwoman for twenty-two years, I am proud of the many major projects I was involved in that impacted Salinas positively. My experience will enable me to bring a tremendous amount of knowledge to the council.

My goal is to collaborate with our community members and city officials to advocate for a better Salinas. As your representative, I am committed to addressing our most pressing critical issues such as public safety, homelessness, economic development, housing, and advocate for policies that benefit all our residents.

I am running for city council because our community needs a proven leader to continue the fight for a healthy, safe, economically sound city. I am dedicated to serving you and making our city a better place for everyone. My voice is your voice. I will listen to your concerns, ideas, and will always be prepared to fight for you. Together, we will create a brighter future for our city.
