My name is Jenny McAdams, and I am running to continue representing District 3 on the Marina City Council. My commitment to Marina is steadfast, and I have proudly served on the City Council with integrity and dedication. It is an honor to continue this service.

I am a passionate advocate for our workforce, families, those on fixed incomes, small businesses, and the environment. Ensuring affordable housing and supporting innovative housing solutions are essential to preserving Marina's diverse and vibrant character. I am dedicated to creating policies that support our residents, providing households with safe neighborhoods, well-maintained streets, accessible recreational opportunities, and exceptional city services.

With a professional background in policy and government and my current role as Director of Operations at the Monterey County Business Council, I bring a unique perspective on the challenges and opportunities facing our community. I am committed to supporting economic development and fostering small businesses in our region.

Together, we can build a stronger, more inclusive, and prosperous Marina for all. I humbly ask for your vote.

Endorsed by Marina leaders:
Supervisor Wendy Root Askew
Mayor Bruce Delgado
Mayor Pro Tem Liesbeth Visscher
Councilmember Brian McCarthy
Councilmember Kathy Biala
