CITY CLERK

I'm a candidate for Salinas City Council with business experience, professionalism, integrity, and transparency. I grew up in south Salinas, earned a Bachelor of Science degree from University of California at Davis and a Master's degree in Business Administration from California State University at Monterey Bay. I enjoyed a 40 year career in the agricultural industry and developed a deep appreciation for the underserved population. I was elected to serve as a Board of Trustee for Salinas Valley Memorial Healthcare System and a Board of Trustee for Hartnell Community College. As the CEO of D'Arrigo Consulting, I am proud to provide scholarships for education and inspire women through leadership development and community engagement. I am passionate about serving my community and have been recognized as a leader who's dedicated to business excellence and philanthropy. My vision for Salinas is a safe city that provides opportunities for education, job creation, a living wage, affordable housing, and access to quality healthcare. Our city faces many public safety, budgeting and infrastructure challenges, but I am confident I have the skills and experience to tackle difficult issues. I am a collaborator, communicator, consensus builder, and committed to uniting our city. For more information about my campaign visit: www.margaretdarrigo.com.
