I am writing to express my interest in continuing my service as a member of the North Monterey County Unified School Board. With over a decade of experience on the board, including three terms as Board President, I am deeply committed to the success and well-being of our students.

As an alumni and having served on this board for the past ten years, I have gained valuable insights into the educational needs and challenges our community faces. My involvement extends beyond the boardroom, with leadership roles in various capacities. As current president of North County LULAC, we have raised over \$400,000 in scholarships for North County students, reflecting my commitment educational opportunities.

During my tenure, I have been instrumental in advancing key initiatives, such as securing matching raises for classified and certificated staff during negotiations and connecting our district with impactful programs like; Girls Inc, Youth Cinema Project and others. These initiatives have significantly benefited our students and staff.

I am committed to fostering an inclusive and supportive environment where every student has the opportunity to excel.

I will continue to contribute and work collaboratively with fellow board members, educators, parents, and community members to achieve our shared goals.

Respectfully,

Martha Chavarria
