

Candidate Statement

Name: Mike Moeller

Age: 51

Occupation: Respiratory Care Practitioner

Marina is steadily progressing towards an exciting transformation. Our community's future depends on fostering a safe, clean, and inclusive environment where everyone feels valued. If elected, I pledge to prioritize open communication, transparency and accountability in shaping Marina's growth.

With extensive experience in community volunteer work and civic engagement, I am well-prepared to serve on the Marina City Council. My involvement in organizations, such as Friends of Marina Parks, Citizens for Sustainable Marina, and the Marina Tree and Garden Club, has allowed me to enhance our public spaces and lead neighborhood beautification projects. Additionally, my efforts with the Marina Chamber of Commerce have supported new and existing local businesses as we work towards a revitalized downtown area and a unified Marina. These experiences have given me a deep understanding of our community's needs and the importance of working together to address them. My commitment to civic engagement has allowed me to build strong relationships with local leaders and residents alike, and I am eager to bring this collaborative spirit to the City Council.
