

Family and hard work are core values that have shaped my life. My mother's service in the US Navy instilled in me a commitment to serve others. For over a decade, I worked as a public servant at the Naval Postgraduate School and now at the Department of Veterans Affairs. I earned a bachelor's degree from CSUMB and an MBA from NPS. I'm proud to call Monterey my home.

Seeking reelection, I aim to be a voice for Monterey's residents. Many locals struggle with the escalating cost of housing, and our region needs a sustainable water supply. Together, we've moved our city forward in so many ways on these critical issues, but there is still so much work to do.

If reelected, I will continue fostering dialogue among stakeholders on critical issues affecting all residents. During my tenure, I led the council's efforts in approval of our updated housing strategy, creating a rental assistance program, and successfully advocating for fiscal responsibility, with the city now projecting a \$40 million reserve by fiscal year 2024-2025. My foremost objective is to enhance the quality of life for every resident of Monterey, advocating tirelessly on their behalf. I humbly ask for your vote. TyllerForMonterey.org
