

Candidate Statement of Qualifications

Name: Chelsea Lenowska

Age:

Occupation:

I am dedicated to advancing MPC's mission to "provide quality programs and services to meet the educational and life-long learning needs of our diverse community." I understand the complex challenges faced in higher education, having worked as a university staff member and having served as a Trustee on a major University's Board of Trustees. I have directly helped manage budgetary shifts, restructure departments, and respond to diverse stakeholder needs during the COVID-19 pandemic. Additionally, I am dedicated to fostering an inclusive and innovative learning environment, as envisioned in the college's strategic plan.

If elected, I plan to bring this experience to MPC. I pledge to be a voice for all, not just a voice for some. I will prioritize the needs of students, faculty, and staff, and ensure that the Board's decisions align with the college's mission and goals. My goal is to bring transparency and accountability to the MPC Board. Together, we can enhance the quality of education and services for our entire community.
