As a United States Representative, I'm fighting to give people opportunities for a better life. Having grown up with a deep sense of public service, I've dedicated my career to giving back to our community and country.

As an Afghanistan War veteran, former prosecutor, and, now, a U.S. Representative, I know how to serve and fight for the people and values of our home.

I'm working to reduce the cost of living for working families with more affordable housing, accessible healthcare, and lower prescription drug prices.

I'm securing federal resources to protect our livelihoods with investments in local infrastructure and national supply chains to boost productivity and prosperity.

I'm promoting local jobs by supporting our diverse economy of technology, hospitality, agriculture, education, research, and small businesses.

I'm defending our precious environment by protecting our pristine coastline and public lands from oil drilling, promoting agricultural sustainability, and creating sound policies to help prevent wildfires and combat the climate crisis.

I'm standing up for women's reproductive rights and equality.

I'm working to secure our border and, as the grandson of immigrants, create pathways for legalization.

I'm delivering federal funding for law local enforcement to fight crime.

I'm upholding democratic values by ensuring our right to vote and supporting international partners fighting for peace.

I'll continue to fight for the people of California's 19th Congressional District with hard work, new ideas, and the will to work together to get things done.

I'd be honored by your vote.
