Vote Oscar Soto for Pajaro Valley Unified School District School Board.

As a husband and father of four children who grew up in the Pajaro Valley, we need to continue our focus of transformation in empowering our community & advocating for strong representation on our school board.

Parents have watched over the years as precious funding and educational opportunities have been lost to schools in the northern portions of the Pajaro Valley Unified School District. I will be your voice and fight for your children's equal and fair share of PVUSD resources.

I have seen firsthand the neglected conditions in most schools. Simply put, our kids deserve better! I am especially proud of hiring Dr. Heather Contreras, as our new PVUSD Superintendent and reinstating the School Resource Officer Program for the Pajaro Valley Unified School District helping to keep our school campuses secure.

I am extremely proud to accept the support of many our Pajaro Valley Unified School District Classified School Workers, and Teachers. Hiring, paying, and keeping qualified Teachers and Staff to support our Students is critical.

Santa Cruz County Supervisor Felipe Hernandez and Monterey County Supervisor Glenn Church have endorsed me.

We need to honor the Dreams of our Families and help provide a brighter future for them through education.

“Voto Soto” for Pajaro Valley Unified School District School Board.
