AGE: _____

OCCUPATION: _____

Pacific Grove has been my home for the past 40 years.

In 2008, I was elected Councilmember and served as Mayor from 2009-2012. Currently, I serve on the City's Administrative Enforcement Hearing Officer Panel and am President/Co-Founder of the non-profit PG Deer Awareness/Resource.

Since 1992, I have served on numerous boards including the City's Americans with Disabilities Act Compliance Advisory Committee serving 15 years, and founding member of the Pacific Grove Police Citizens' Academy Alumni Association serving 11 years.

As your Councilmember, I will protect and preserve our natural assets; the Marine Sanctuary, Monarch Sanctuary, our Harbor Seals, Native Deer, the Black Oystercatcher, and our beautiful parks and open space.

I honor our traditional events and welcome the new summer event "Pacific Grove Summer Lights," created by the Youth Ambassadors of Pacific Grove.

As your Councilmember and with my leadership, our City will move into the future that reflects our common values. I will always represent your interests, and work diligently to protect your tax dollars. I will make decisions based on need, and conduct the City's business with complete transparency.
