

Candidate Statement

My name is Jose Madrid and I currently serve as a board member for our wonderful Greenfield Union School District.

For the last 4 years, I have served as your voice in our school community and have advocated for the best interest of our students, parents, and staff; and I have met some amazing people along the way.

Throughout my term, we have helped to bring delicious, healthy foods to our students as well as innovation and technology to all of our campuses in order to foster the advanced thinking and learning of our amazing learners.

As an incumbent to our board, I plan to continue my goals in minimizing the barriers and hesitations our parents often face with ensuring our students have a safe and successful learning environment.

My investment in our community does not simply stop as a school board member; as a lifelong citizen of our great community, I understand the unique needs we have and aim to represent you in order to raise our children into responsible adults.

As you consider your choices for board members this November, please consider me, Jose Madrid, to continue to represent and serve as your voice in our school community.
