I am a lifelong advocate for community empowerment. I am running for Trustee of the Salinas City School District to ensure every student has the opportunity to succeed. With over 40 years of experience in public policy, healthcare, education, and economic development, I have dedicated my career to uplifting low-income families and providing essential resources for youth.

During my career, I have successfully secured millions of dollars in scholarships, grants, and funding to support students' educational journeys. My deep roots in the community and my extensive experience working with local and state agencies as well as international organizations make me uniquely qualified to serve on the school board. I have a proven track record of creating and implementing programs that address critical needs in education, healthcare, and economic development. I am committed to fostering a safe, inclusive, and supportive learning environment for all students, with a focus on equity, access, and long-term success.

As a Trustee, I will work tirelessly to ensure that every child in the school district has the resources and support they need to thrive, both in school and beyond. Please vote for Maria Bonilla-Giuriato for Salinas City School District Trustee.
