Ariana Rodriguez College Program Coordinator 40

I am a lifelong resident of Greenfield where my family has lived for three generations. My parents worked the agriculture fields to provide for me and my 5 siblings and fulfill their dream of becoming homeowners. The model of hard work and determination I grew up with, instilled in me a strong work ethic and a deep commitment to seeing our community grow and thrive.

CITY OF GREENE

Professionally, I run a program that provides college onboarding at 22 high school sites across Monterey County. I am a Hartnell College and University of California, Santa Cruz graduate and have an over 20 year career in higher education. I am passionate about making education accessible to all and helping people reach their goals especially through demystifying college for first generation students like myself.

Personally, I enjoy following legal news, camping, enjoying the outdoors and spending time with my daughters who are both college graduates as well.

I have only been on council for one year and have not nearly made the impact I aspire to in our city. I hope to have your vote to continue my effort to affect positive change in our community and foster a sense of safety, support and unity for residents.
