

## CANDIDATE STATEMENT OF QUALIFICATIONS

Ian N. Oglesby

Occupation: Mayor

I have worked to improve Seaside's quality of life, using my experience as a County Economic Development Commissioner, County Board of Education Trustee, Planning Commissioner, Councilmember, Mayor Pro-Tem, and Mayor.

During this term, we navigated the pandemic, achieving a stable and resilient recovery. Our budget is balanced, and reserves are full. Economic projects are moving, including Seagrove on Broadway, Campus Town with over 1,100 housing units, and the Grand Hyatt Hotel breaking ground this summer. State courthouse will break ground in early 2025.

Our \$10M street and sidewalk improvement plan continues, designs for Fire Station #2 nearing completion. Strengthened code enforcement, public works, fire, and police, reducing crime by over 30%. Youth jobs program and the new CSUMB internship initiative are creating opportunities for our young people.

My focus remains clear: drive economic development, ensure community safety, enhance youth and senior programs, and street / sidewalk repairs. I am committed to increasing workforce and affordable housing options at all income levels, advocating for renters' rights, fostering a healthier, and a more equitable Seaside.

I am dedicated to continuing my work for you and building a vibrant, inclusive Seaside. Together, we can achieve great things.

I humbly ask for your vote.
