

SHANDA LeBOEUF

Occupation: Community Volunteer

City Clerk's Office

I am Shanda LeBoeuf, a dedicated community volunteer, running for Council Person for the City of Seaside. With a rich history of service and leadership, I am committed to seeing Seaside thrive.

My credentials include:

As the former Chair and current Co-Chair of the Neighborhood Improvement Commission, I have allocated over \$400,000 to enhance our city. I have attended numerous City Council meetings, served as an MPUSD Trustee, and worked as a bank manager. A military wife; and homeowner who has lived in Seaside since 1979, I bring a long-term perspective and deep-rooted commitment to our community.

I am a proud graduate of Seaside High School, with an A.A.S. from Monterey Peninsula College, and a B.A in History and Political Science from San Jose State University. My experiences have equipped me with strong leadership, collaboration, critical thinking, problem-solving, teamwork, decisiveness, financial management, and empathy.

Seaside has tremendous potential, but outdated practices hold us back. It's time for change. I support our police, especially our chief of police, and am dedicated to addressing parking issues.

I will support worthwhile projects and explore new initiatives to propel Seaside into the 21st century, improve our economy, and protect our environment.

Together, we can make Seaside a thriving, vibrant community for all. I ask for your support and your vote.
