CANDIDATE NAME:	Mindy S Hunt	AGE:	61
OCCUPATION:	Business Services Analyst		

(CANDIDATE STATEMENT OF QUALIFICATIONS)

Originally from Montana, I made California my home in 2007 and became deeply interested in the well-being of our communities. As a homeowner in King City, a committed Business Services Analyst for Greenfield Union School District, and the spouse of a teacher, I have witnessed firsthand success of our students and the dedication of our educators. With a Bachelor's in Business Management from Western Governors University, I bring both a strong educational background and practical experience to the table.

Living in King City and working in Greenfield gives me a unique perspective on the needs and aspirations of our district. I'm passionate about creating a future where every student is equipped to thrive, no matter their background, their challenges, or their aspirations. In 2021, I was proud to lead the "Save Our Local Park" initiative in King City to make sure all our children and youth have open spaces in which to play. This solidified my belief in the power of community collaboration. Recently, I served on a Learner-Centered Collaborative at Greenfield Union School District. I collaborated with a team committed to ensuring our students are not just prepared to live in the future, but are ready to lead it.

I affirm that I want my candidate statement printed in the Monterey County Voter Information Guide.
