

City of Carmel-By-The-Sea

JUL 22 2024

Office of the City Clerk

Bob Delves

Planning Commissioner/Businessperson

As a Carmel-by-the-Sea Planning Commissioner, I have worked diligently for over four years to protect the unique character of our Village. It's a challenging, time-consuming role that clearly demonstrates my commitment to public service.

I bring 45 years of leadership and problem-solving experience. I've been a senior corporate executive and founded several companies. I once served as mayor of a small town in Colorado similar to Carmel in many ways. I led that town through turbulent times and was reelected with 89% of the vote in a contested election.

Representing you on our City Council, I will be engaged, committed, collaborative, and always prepared. I will provide supportive strategic leadership and rigorous financial oversight to our City Staff. I will listen and represent the interests of our citizens and remain free of personal agendas. I bring deep financial management and planning skills and a life-long track record of effective, outcome-oriented leadership. I believe I can help our City deal with a growing list of serious challenges.

I believe that less is often more, that common sense should be more common, and if it's not broken, don't fix it. I would be honored to receive your vote.
