

**NICK SMITH**

**Occupation:** Councilmember

**Age:** 44

As Mayor Pro Tem and Councilmember for eight years, I focused on infrastructure: roads and sidewalks; protecting the environment and coastline; youth recreation; and fiscal stability. As Mayor, I'm determined to prioritize downtown beautification, affordable housing, and complete streets.

As Mayor, my highest priority will always be public safety. I pledge to continue supporting our police and fire departments in keeping our community safe.

I believe in open and transparent dialogue and reasoned debate and will listen to all views. I encourage respectful dialogue on Council.

I have been on the M1W Board since 2018, working for a cutting-edge water supply.

I was a City Planning Commissioner 2014-2016.

I'm a proud father of three daughters attending Robert Down Elementary, PG Middle, and PG High. I currently serve on a committee to foster greater partnership between PGUSD and the City.

As a local attorney for eleven years, I have helped local individuals, families, businesses, and organizations to solve problems and achieve goals. Previously I served as a county prosecutor. I am a Monterey County Bar Foundation Board Member.

I'd be honored with your vote.
