MONTEREY COUNTY

**TOM MOORE**

**Occupation:** Incumbent and University Professor

2024 JUL 16 AM 10:34

**Education and Qualifications:** In many years as a Marina Coast Water District (MCWD) Director, I've voted reliably to provide you clean, safe water and consistent removal of your wastewater 24/7. I've persistently fought Cal Am's attempts to take our groundwater. I've voted for projects to reduce seawater threats to our groundwater; opposed extraordinary giveaways of customer money; promoted water conservation and supported the acquisition of technologies to give you excellent customer service. A vote for me is a vote for experience, reliability, honesty, transparency, respect for the law and fiscal responsibility.

**Experience:** Director, Marina Coast Water District – 28 years; Director, Monterey One Water (M1W) – 14 years; Marina Planning Commissioner – 6 years; Graduate school professor – 36 years; U.S. Army – 30 years (Colonel, U.S. Army Retired).

I've served as a director, commissioner, president or delegate for five local government agencies and ten nonprofit organizations including: MCWD, M1W; Monterey County LAFCO; Special Districts Association of Monterey County; MCWD Water Conservation Commission; Ventana Chapter of the Sierra Club; and the National Council of U.S. Soccer.

**Education:** Ph.D., Industrial Engineering and Operations Research from Virginia Tech; M.S., Operations Research from Stanford; and B.A., Mathematics from Northeastern.
