

HOUSING ELEMENT COMPLETENESS CHECKLIST

A Quick Reference of Statutory Requirements for Housing Element Updates Updated 1/2021

The purpose of this completeness checklist is to assist local governments in the preparation of their housing element. It includes the statutory requirements of Government Code section 65580 – 65588. Completion of this checklist is not an indication of statutory compliance but is intended to provide a check to ensure that relevant requirements are included in the housing element prior to submittal to the Department of Housing and Community Development pursuant to Government Code section 65585(b). For purposes of the Checklist the term “analysis” is defined as a description and evaluation of specific needs, characteristics, and resources available to address identified needs.

For technical assistance on each section visit [California Housing and Community Development Building Blocks Technical Assistance](https://www.hcd.ca.gov/community-development/building-blocks/index.shtml) (https://www.hcd.ca.gov/community-development/building-blocks/index.shtml)
