MONTEREY COUNTY FREE LIBRARIES
FACT SHEET

ⓘ About MCFL

Founded in 1912, Monterey County Free Libraries (MCFL) serves the public through 16 branch libraries, 3 bookmobiles, online resources, Library by Mail, and partnerships with other libraries throughout the region and across the state.

Technology & Facilities

Your branches provide public computers, printing, copying, faxing, and wireless internet access, making technology accessible to all. Climate-controlled study spaces and playgroups for children and caregivers create welcoming environments for both work and play. Additionally, MCFL branches offer access to various community resources, further supporting the needs of the residents.

Student Support Centers

MCFL's Student Support Centers offer both online and in-person homework assistance, learning activities, and expert resources to support students from kindergarten through college entry. These centers are designed to help students achieve academic success, offering tailored support and valuable resources.

Library Services

MCFL offers books, audiobooks, DVDs, eBooks, downloadable audio, kits, technology, and more! Any California resident can get a free library card.
